ARTICLE 1 - RECOGNITION

1.1 The Government recognizes the Association of Management, Administrative and Professional Crown Employees of Ontario as the exclusive bargaining agent for a bargaining unit composed of all Crown employees as defined in Section 1 of CECBA, 1993 who are Public Servants in the positions and classifications set out in Schedule 2 to this collective agreement. For clarity, Schedule 2 includes all classifications and positions previously encompassed by Schedule 1 that have been assigned to a classification level as of the signing of this collective agreement, as well as any positions or classifications included in Schedule 1 that have not, as of the signing of this collective agreement, been assigned to a level in the new job evaluation/classification system, students and interns working in those classifications and positions, and all employees in any newly established classification or position that is subsequently agreed, or determined by the OLRB, to be materially similar to a classification or position in the unit, (save and except persons who exercise managerial functions or who are employed in a confidential capacity relating to labour relations, or lawyers and engineers who are employed in their professional capacity, or persons employed in the Correctional Bargaining Unit or persons employed at the Ontario Police College, the Ontario Provincial Police Academy, or under the supervision of the Commissioner of the OPP or the Chief Firearms Officer for Ontario.) The parties agree that the positions performing functions carried out by the Centre for Public Sector Labour Relations and Compensation; Centre for Leadership and Learning (excluding Green Office positions); HR Service Delivery Division; and Strategic Business Units within any ministry (including any form of successor organization(s) that perform these functions) are excluded under Section 1.1 (3) 9 of CECBA, 1993.

The parties agree that paragraphs 3, 4, 5 and 6 and Appendix B of the September 10, 2008 Agreement form part of the collective agreement, and that the September 10, 2008 Agreement overrides and replaces all prior agreements and settlements between these parties concerning the recognition, treatment and scope of AMAPCEO as a tag-end bargaining unit, as well as replacing, in respect of the seventh unit, OIC 243/94. For clarity, paragraph 5 of the recognition clause settlement dated September 8, 2004, providing for parallel classifications in the AMAPCEO unit where a deleted MCP classification is reinstated, continues to apply, and nothing herein affects the revised recognition clause set out in this article.

For further clarity, the parties agree that the Government continues to recognize AMAPCEO as the exclusive bargaining agent for all classifications and positions, previously covered by the recognition clause contained in Article 1.1 of the collective agreement, and that the change to the new job evaluation/ classification system structure and the amendments to the recognition clause neither alter, expand nor erode the scope of the bargaining unit.

ARTICLE 2 - NON-DISCRIMINATION/HARASSMENT/SEXUAL HARASSMENT

- 2.1 It is understood that the parties are committed to principles which will foster and encourage diversity in the workplace.
- 2.2.1 There shall be no discrimination or harassment practised by reason of race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status, same sex partnership status, or disability, as defined in section 10(1) of the Ontario Human Rights Code (OHRC).
- 2.2.2 The Employer has a general duty to take every precaution reasonable in the circumstances to protect an employee from personal harassment. Personal harassment is engaging in a course of vexatious comment or conduct against an employee in the workplace that is known or ought reasonably to be known to be unwelcome.
- 2.2.3 An employee who makes a complaint under Article 2 may be accompanied and represented by an employee representative or Association representative in complaints under Article 2.3, and an Association representative in the case of all other complaints, at the time of the discussion of the complaint, at each stage of the dispute procedure, and in the course of any investigation established by the Employer under any staff relations policy.
- 2.2.4 Where a complaint under Article 2 is made against an employee's supervisor, or any person with supervisory responsibilities at a higher level over the employee, any oral complaint or written dispute which is expressed in Article 2 may be presented to the supervisor that is one level above the supervisor who is subject to the complaint.
- 2.3 **Sexual Harassment**
- 2.3.1 All employees covered by this Agreement have a right to freedom from harassment in the workplace because of sex by his or her Employer or agent of the Employer or by another employee. Harassment means engaging in a course of vexatious comment or conduct that is known or ought reasonably to be known to be unwelcome.
- 2.3.2 Every employee covered by this Collective Agreement has a right to be free from,
- (a) a sexual solicitation or advance made by a person in a position to confer, grant or deny a benefit or advancement to the employee where the person making the solicitation or advance knows or ought reasonably to know that it is unwelcome; or

(b) a reprisal or a threat of reprisal for the rejection of a sexual solicitation or advance where the reprisal is made or threatened by a person in a position to confer, grant or deny a benefit or advancement to the employee.

2.3.3 The time limits set out in Section 15.2.1 do not apply to complaints under Article 2.3, provided that the complaint is made within a reasonable time of the conduct complained of, having regard to all the circumstances.

2.3.4 Where, at any time either before the making of a complaint or the filing of a dispute under Article 2.3, the Employer establishes an investigation of the complaint, or the employee agrees to the establishment of such an investigation, pursuant to any staff relations policy or other procedure of the Employer, the time limits for the processing of the complaint or dispute under Article 15 shall be suspended until the employee is given notice in writing of the results of the investigation.

2.3.5 Where it appears to a board of arbitration that an employee who is a complainant under Article 2.3 has made a complaint under the Ontario Human Rights Code relating to the conduct which is the subject of the dispute, the board of arbitration may, as it sees fit, adjourn the dispute, stay the dispute, or dismiss the dispute.

ARTICLE 3 - MANAGEMENT RIGHTS

3.1 Subject only to the provisions of this Agreement, the right and authority to manage the business and direct the workforce, including the right to hire and lay-off, appoint, assign and direct employees; evaluate and classify positions; discipline, dismiss or suspend employees for just cause; determine organization, staffing levels, work methods, the location of the workplace, the kinds and locations of equipment, the merit system, training and development, appraisal; and make reasonable rules and regulations; shall be vested exclusively in the Employer.

- 5.2 Employees newly hired or newly assigned into the bargaining unit will be notified in writing, on or prior to their starting date, that their position is in the AMAPCEO bargaining unit, and of the name, address and telephone number of the Association. The President of the Association shall be copied electronically on or about the same time as the information is sent to the employee.

ARTICLE 6 - NO DISCRIMINATION FOR ASSOCIATION ACTIVITIES

- 8.1.2 Upon the expiry of any leave of absence, the employee on leave shall be returned to his or her former position and location if such position and location still exist. The Employer and the employee may agree on another position to which he or she may be returned, subject to the requirements of the collective agreement. If the employee's position is declared surplus during the leave, then the employee retains all rights under Article 27. However, notwithstanding Article 27.3.12, the Employer shall attempt to find on an ongoing basis, a direct assignment for the employee throughout the period that the employee is on leave. In the event that no direct assignment is found before the leave expires, then upon the expiry of the leave, notwithstanding Article 27, the employee shall be assigned with no loss of pay or benefits, to an equivalent or similar position within the geographic parameters specified in the employee's portfolio; however it is agreed that such an assignment will not result in a promotional salary increase.

- (a) on a leave from full time employment pursuant to Article 8.1.1, or

ARTICLE 15 - DISPUTE RESOLUTION PROCEDURE

15.1 Statement of Intent

The Employer and the Association acknowledge the importance of resolving disputes arising from the interpretation, application, administration or alleged violation of this agreement, (hereafter referred to as “disputes”), at an early stage, and, wherever possible, at the local level, in order to foster a harmonious and productive working environment. In this respect, the parties recognize the importance of informal means of resolving employee complaints at the lowest level possible before they become formal disputes under this Article and that nothing in this Article is intended to discourage the ordinary local workplace resolution of employee complaints outside of this dispute resolution process. The parties further acknowledge the importance of full disclosure of issues and open discussion throughout the process to facilitate mutually acceptable resolutions.

15.2 Informal Resolution Stage

- 15.2.1 An employee who has a complaint may raise the complaint with his or her manager, with a view to having that complaint resolved without having to invoke the Formal Resolution stage of this Dispute Resolution Procedure. The employee shall have the right to be accompanied and represented by an Association representative at this stage of the Dispute Resolution Procedure.

15.3 Formal Resolution Stage

- 15.3.1 If the complaint is not resolved to the satisfaction of the employee through the informal resolution stage, the Association, on behalf of the employee, may submit a dispute in writing to the manager, for transmittal to the designated management representative, within thirty (30) days after the circumstances giving rise to the complaint have occurred, or have come or ought reasonably to have come to the attention of the employee.
- 15.3.2 It is agreed that the Formal Resolution designated management representative will have the authority to work towards resolving the dispute and that, no manager who has dealt with a complaint at the Informal Resolution Stage will be designated at the Formal Resolution Stage. A designated management representative shall hold

15.4.1 If the dispute is not resolved at the Formal Resolution Stage, the Association, on behalf of the employee, may submit the dispute in writing to arbitration under Article 15.11 within fifteen (15) days of the date that the representative of the Association present at the meeting received the decision at the Formal Resolution Stage. In the event that no decision in writing is received in accordance with the specified time limits at the Formal Resolution Stage, the Association may submit the dispute to arbitration, within fifteen (15) days of the date that the designated management representative was required to give the decision in writing in accordance with the Formal Resolution Stage.

15.5.9 The Employer shall not take any reprisals against an employee for initiating or pursuing a dispute pursuant to this Article.

15.6 **Group Dispute**

15.6.1 In the event that more than one (1) employee has the same dispute, and such employees would be entitled to file a dispute, the Association shall be entitled to present a group dispute in writing, signed by such employees, to the Director, Centre for Employee Relations at the Formal Resolution Stage, within thirty days after the circumstances giving rise to the complaint have occurred or have come or ought reasonably to have come to the attention of these employees. In such cases, no more than three (3) complainants may be in attendance at each stage unless otherwise mutually agreed.

15.7 **Association Dispute**

15.7.1 Where a dispute arises between the Employer and the Association, the Association shall be entitled to file an Association dispute at the Formal Resolution Stage of the dispute resolution procedure with the relevant Employee Relations Manager, Centre for Employee Relations, provided it does so within thirty (30) days after the circumstances giving rise to the dispute have occurred or have come or ought reasonably to have come to the attention of the Association.

15.8 **Discharge, Suspension and Demotion Disputes**

15.8.1 Where an employee has been discharged, demoted or suspended for a period greater than five (5) days, the Association may present a dispute on his or her behalf directly at the Formal Resolution Stage.

15.9 **Joint Review Process (JRP)**

15.9.1 The Joint Review Process (JRP) is an integral part of the dispute resolution mechanism. The parties agree to meet at least every two (2) months:

- to review all cases referred to arbitration in order to determine whether they can be resolved, expedited or consolidated
- to review Arbitration Awards as deemed necessary to determine application, and
- for any other mutually acceptable reason for dispute resolution purposes under this collective agreement.

15.10 **Classification Dispute**

15.10.1 Effective until September 30, 2013, an employee who alleges that his/her position is improperly classified may discuss his/her claim with his/her immediate supervisor at any time. An employee, however, shall have the right to file a dispute at any time at the Informal Resolution Stage, and to have that dispute processed through the Informal Resolution Stage and the Formal Resolution Stage of the dispute resolution process contained in Article 15.2, 15.3.1, and 15.3.2. The employee shall specify in his/her complaint what classification he or she claims.

15.10.2 Effective until September 30, 2013, a classification claim as provided in Article 15.10.1 which has not been resolved by the end of Stage 2 may be referred to ACERC under Article 12 for final resolution. The parties agree to establish a sub-committee of the ACERC, which shall consist of three (3) persons appointed by each party, to review all complaints or differences involving an allegation of improper classification. Association representatives shall be provided with reasonable travel time and leave with pay to attend sub-committee meetings. All decisions of the sub-committee shall be by vote of the sub-committee members and shall be binding on the parties and any affected employee. Each party must be represented by an equal number of members. Where ACERC does not agree, the matter shall remain unresolved, unless and until concurrence is reached.

15.10.3 The Employer, upon written request by the employee or Association, shall make available all information and provide copies of all documents which are relevant to the dispute.

15.10.4 Articles 15.5 to 15.7 apply to a dispute under Article 15.10.

15.10.5 Effective on October 1, 2013, this process will address disputes related to new positions created after October 1, 2013 and positions where there have been substantive changes to the assigned duties and responsibilities. Neither the job description system nor the job evaluation system shall be subject to the dispute

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

resolution process.

For clarity, the Dispute Resolution Process as set out below shall not be subject to the jurisdiction of the Grievance Settlement Board.

The process will be as follows:

Step 1:

An employee who alleges that his/her position is improperly classified may discuss his/her claim with his or her immediate supervisor at any time. The Employee shall make the complaint in writing on the form agreed to by the parties and shall specify what classification level the employee claims.

Step 2:

If the dispute is not resolved within thirty (30) days at Step 1, the Association may make a written submission regarding the employee's classification to the Enterprise Classification Unit (ECU) for review and consideration, and include a proposed new classification and rationale for this proposal. The ECU shall review the Association's written submission and complete a report, including reasons that either confirms the existing classification level or determines a reclassification of the position. The ECU shall issue such report within 20 days of receipt of this written submission.

If the ECU determines that a reclassification is required, the position shall be reclassified effective the date of the filing of the dispute at Step 1.

Step 3:

- (i) If the ECU determines that no reclassification is required and the Association is not satisfied with the ECU report, the matter may be referred to the Classification Review Sub-Committee (CRSC) of ACERC by way of written submissions within (15) days of the receipt of the ECU report. A panel consisting of equal representation of three (3) Association representatives and three (3) Employer representatives shall be convened to review classification matters that remain in dispute after being reviewed by the ECU.

The CRSC shall review any written submissions from the Association and the written report of the ECU and deliberate with respect to its determination. For clarity, there shall be no witnesses/oral evidence. Association representatives shall be provided with reasonable travel time and leave with pay to attend sub-committee meetings. All decisions of the sub-committee shall be by vote of the sub-committee members. Each party must be represented by an equal number of members.

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

- (ii) All panel members must have completed joint training on the classification system prior to participating in a review of any classification matters brought forward to the CRSC.
- (iii) If the CRSC determines that a reclassification is required, the position shall be reclassified effective the date of the filing of the dispute at Step 1.
- (iv) If the matter is not resolved at Step 3 after 30 days, the Association may refer the matter to Step 4 below.

Step 4:

- (i) If the Association has referred a matter to Step 4, then the Association may request that an analysis of the employee's classification be completed and submitted to the CSRC by a jointly agreed upon third-party neutral. The parties will share the cost of the third-party neutral. The third-party will be provided with the following information:
 - (a) The employee's job description;
 - (b) The Job Evaluation Plan;
 - (c) The Evaluation Rationale for the disputed position;
 - (d) The Association's written submission at Step 2
 - (e) The ECU Report
 - (f) A summary, limited to two pages, from each of the parties setting out their respective positions;
 - (g) Each party will provide no more than three (3) comparators from one level below, one level above and from within the level.
- (ii) The third-party may make such other inquiries as he/she may deem necessary and shall provide a written report to the parties within 30 days of the referral of the issue to him/her. The report will be considered by the CRSC in an attempt to reach consensus.
- (iii) If the CRSC determines that a reclassification is required after reviewing the third party's report, then the position shall be reclassified effective the date of the filing of the Step 1 dispute.
- (iv) If the matter remains unresolved after 20 days following the CRSC review of the consultant's report, then the Association may refer the matter to the Job Evaluation Appeals Committee (JEAC) under Step 5 below.

Step 5:

- (i) The JEAC shall consist of the Deputy Minister of TBS or his/her designee and the President of AMAPCEO or his/her designee.
- (ii) The JEAC shall meet and attempt to resolve the matter. If the parties reach agreement at the JEAC, it shall issue a written decision without reasons, and such decision shall be final and binding. If the JEAC is unable to resolve the matter within 30 days following their first meeting, then the Deputy Minister or his or her designee shall issue a written decision without reasons, and such decisions shall be final and binding. If the JEAC determines that a reclassification is required, the position shall be reclassified effective the date of the filing of the dispute at Step 1.

15.11 Arbitration Provisions

- 15.11.1 Where a complaint or dispute is referred to arbitration, the arbitrator shall make a final and conclusive settlement of the differences between the parties, including any question as to whether a matter is arbitrable.
- 15.11.2 An employee who has initiated a complaint and for whom the Association makes an application for a hearing before the Grievance Settlement Board, or an arbitrator, or the Ontario Labour Relations Board, shall be allowed leave of absence with no loss of pay and no loss of credits if required to be in attendance by the Board or the arbitrator or the Tribunal. This Article shall also apply to the pre-hearings, mediation/arbitration or mediation under the auspices of the Grievance Settlement Board ("GSB"), an arbitrator/mediator, or arbitrator or the Ontario Labour Relations Board.
- 15.11.3 The Association and the Employer agree that all complaints arising under Article 15 that are referred to arbitration shall be determined by the Chair or a Vice-Chair of the GSB sitting alone.
- 15.11.4 The Association and the Employer agree that all hearings should commence in a timely manner and the parties will endeavour to ensure that each case is scheduled to begin not later than thirty (30) calendar days following the referral to the GSB.
- 15.11.5 The parties may agree to refer any complaint to a mediator/arbitrator who shall have all the powers of an arbitrator under the *Labour Relations Act*, including the powers of a mediator/arbitrator under the *Labour Relations Act*, and the decision of the mediator/arbitrator shall be final and binding upon the parties.
- 15.11.6 The costs of the arbitrator or arbitrator/mediator shall be shared equally by the parties.

- 15.11.7 In this Article, if the GSB is abolished, references to the GSB, or to a Chair or Vice-Chair of the GSB, are deemed to include references to an Arbitrator appointed under the *Labour Relations Act* or otherwise by the parties.

ARTICLE 16 - SENIORITY/CONTINUOUS SERVICE

16.1 An employee's seniority/continuous service will accumulate and shall be calculated as follows:

- (a) from the date of appointment to the regular service for those employees with no prior service in the Ontario Public Service.
- (b) for a fixed term employee appointed to a full time position in the regular service, from the date established by adding the actual number of full time weeks worked during his or her full time employment back to the first break in employment that is greater than thirteen (13) weeks. When calculating seniority in this situation, a period of part time fixed term employment shall neither constitute a break in service nor be counted towards seniority except that any full time weeks worked during such part time employment shall be calculated into the employee's seniority; or
- (c) for a fixed term employee appointed to a regular part time position in the regular service, the greater seniority of:
 - i) the later of January 1, 1984 or the date he or she commenced a period of unbroken, part-time employment in the fixed term service, immediately prior to appointment to a regular part time position; or
 - ii) the actual number of full time weeks worked as a full time fixed term employee calculated pursuant to Article 16.1(b) above.

Notwithstanding the above, subject to Article 27, seniority is not credited until completion of the probationary period.

16.1.1 For purposes of application of this article, any break in service of less than thirteen (13) weeks shall neither constitute a break in service nor be counted towards seniority.

16.1.2 For purposes of this Article:

- (a) "Unbroken service" is that which is not interrupted by separation from the public service as per Article 16.4;
- (b) "Full time" is continuous employment as set out in the hours of work article for the position;

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

- (c) “Part time” is continuous employment with hours worked being less than full time hours per Article 16.1.2(b);
- (d) employment in the fixed term service includes service as a seasonal employee;
- (e) “Regular part time” means part time employment in the regular service.

16.1.3 No employee as of May 28, 1998 shall have his or her seniority/continuous service reduced as a result of the application of this article.

16.2.1 An employee’s seniority/continuous service shall accumulate from the date determined in Article 16.1 and shall include the period of service during which an employee:

- (a) is in receipt of LTIP or WSIB benefits; or
- (b) is absent on pregnancy or parental leave; or
- (c) is absent on any authorized leave without pay of thirty (30) calendar days or less; or
- (d) is absent on Family Medical Leave.

16.2.2 Except for the situations described in Article 16.2.1, where an employee is absent on a leave without pay that exceeds thirty (30) calendar days, the period of leave shall not be included in the determination of his or her seniority/continuous service. However, periods of service immediately before and after such absence shall be considered continuous and shall be included in determining seniority/continuous service.

Notwithstanding the above, the period of leave shall be included for purposes of determining the rate of vacation credit accrual.

It is understood that an unpaid leave of absence greater than thirteen (13) weeks is not a break in service.

16.2.3 Notwithstanding Article 16.1(c), where a regular part time employee becomes a full time regular employee, any service as a part time employee which forms part of his or her unbroken service shall be calculated according to the following formula:

$$\frac{\text{Weekly hours of work as a Part time Employee}}{\text{Full time weekly hours of work for class}} \times \text{Years of Continuous Service as a Part time Employee}$$

Changes in the employee's weekly hours of work shall be taken into account.

Example:

- Weekly hours of work as a part time fixed term employee = 6 years at 20 hours per week;
- Weekly hours of work as a regular part time employee = 2.5 years at 16 hours per week;
- Full time hours of work for class (weekly) = 36 ¼ hours
- Seniority/Continuous Service Date on becoming a full time employee =
$$\frac{(20 \times 6 \text{ years})}{36 \frac{1}{4}} + \frac{(16 \times 2.5 \text{ years})}{36 \frac{1}{4}}$$
- = 3.3 years + 1.1 year = 4.4 years (as of date of becoming a full time regular employee)

16.3 Where an employee has been laid off in accordance with Article 27 (Job Security) and obtains a position as provided for under Article 27 within 24 months of such layoff, the employee's seniority/continuous service shall include continuous service both before the effective date of the layoff and after the date of the assignment. The period of absence shall not be included in the calculation of his or her seniority/continuous service.

16.4 Seniority/continuous service shall be deemed to have terminated if:

- (a) an employee resigns or retires; or
- (b) an employee is dismissed unless such dismissal is reversed through Article 15 (Dispute Resolution); or
- (c) an employee is absent without leave in excess of ten (10) consecutive working days (subject to Article 22); or
- (d) an employee is released in accordance with Article 27 (Job Security) and remains released for more than twenty-four (24) months.

ARTICLE 17 - APPOINTMENT TO REGULAR SERVICE (PROBATIONARY PERIOD)

17.1 There shall be a probationary period of not more than twelve (12) months from the date of appointment to the regular service for employees with no prior service in the Ontario Public Service. If an employee is absent for a period greater than three (3) consecutive calendar weeks during the probationary period, the Employer may extend the employee's probationary period by the length of that absence.

- 17.2 Within the first month of an employee's probationary period, the performance standards required for the position will be reviewed with the employee, and the employee will be advised if he or she is not meeting the standards.
- 17.3.1 Where an employee is appointed to the regular service and has worked more than twenty-four (24) hours per week on a continuous basis immediately prior to appointment to the regular service, the time he or she actually worked within the previous year may be considered to be part of his or her probationary period to a maximum of six (6) months.
- 17.3.2 Notwithstanding Article 17.3.1, where an employee is appointed to the regular part time regular service and has worked at least the required number of hours per week for the regular position on a continuous basis immediately prior to his or her appointment to the regular part time position in the regular service, the time he or she actually worked within the previous year may be considered to be part of his or her probationary period to a maximum of six (6) months.

ARTICLE 18 - RECRUITMENT-POSTING AND FILLING OF POSITIONS

Posting and Filling of Positions in the Regular Service

- 18.1 When a vacancy occurs in the Regular Service for a bargaining unit position or a new regular position is created in the bargaining unit, it shall be advertised for at least ten (10) working days prior to the established closing date. Where practicable, notices of vacancies shall be posted, within the identified area of search, either electronically, or on bulletin boards.
- 18.2 The notice of vacancy shall include the job title and classification of the position; ministry; salary range; general description of job duties; qualifications required; full or part time status; whether temporary or developmental (including duration); bargaining unit status; hours-of-work schedule; work location, any search restrictions if applicable, as well as any approved and publicly announced relocation by the Employer; travel requirements for the position; and closing date for the competition.

The only search restrictions permitted are:

- (i) geography: restricted to individuals living or working within a specified geographic area;
- (ii) employee status: restricted to current OPS employees and former OPS employees with entitlements to apply; and
- (iii) both (i) and (ii).

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

For clarity, no search restrictions along organization lines e.g. units, branches, divisions, ministries or any combination thereof will be made, absent agreement of the parties.

- 18.3.1 In filling a vacancy, applicants' qualifications for the position shall be assessed relative to the selection criteria -- the knowledge, skills, abilities and experience required to perform the duties of the position. The most qualified applicant for the position shall be selected to fill the vacancy.
- 18.3.2 Where the qualifications and ability are relatively equal between an AMAPCEO unit applicant and a non-AMAPCEO unit applicant preference will be given to the AMAPCEO unit applicant.
- 18.4 An applicant who is invited to attend an interview within the public service shall be granted time off with no loss of pay and with no loss of credits to attend the interview. Employees shall be reimbursed for travel expenses associated with attending the interview in accordance with the Employer's policy or practice.
- 18.5.1 Relocation expenses for posting and filling of positions under this Article shall be paid in accordance with the provisions of the Employer's relocation expenses directive in effect as of January, 2002. For purposes of Article 18, Article 28 does not apply.
- 18.5.2 Notwithstanding that a position is advertised with a restricted area of search, any employee who resides outside the identified area of search may apply for the position. If they apply, they will be deemed to have waived entitlement to any relocation or travel expenses (pursuant to Articles 18.4 and 18.5.1) as a condition of gaining access to the competition process. For greater certainty, no claim can be made for any expenses incurred during the competition process or arising from the decision to hire the employee into the position. It is understood that the Employer does not have discretion to grant any entitlement that has been waived pursuant to this provision.
- 18.5.3 Postings shall be posted in the central (OPS-wide) electronic site on the Employer's intranet at the same time and for the same period as otherwise posted. The Employer will continue to ensure that AMAPCEO has electronic access to the site or is provided with a weekly electronic report of all job postings from the OPS-wide electronic site.

If the central site is not limited to AMAPCEO represented job postings it will allow AMAPCEO represented employees to conduct a "search" for all postings in the AMAPCEO unit.

The Employer will ensure that all postings are accessible to employees on approved leaves of absence and in accordance with 27.11.9 to former employees on recall. In addition, article 27.11.9 will be deemed to apply to those employees who have

accepted pay in lieu of notice under article 27.7.5. Article 27.11.9 will also be deemed to apply to former fixed term employees who remain eligible to apply to OPS positions under article 27.1.1(b).

Pursuant to this Article, the Employer will provide accessible electronic information on job postings. For greater clarity, this does not include the provision of computers or other electronic equipment to employees, or similar electronic access points in the workplace. Employees without equipment, as otherwise provided by the Employer, bear the responsibility for accessing the electronic information on their own.

18.6 Unfair competition complaints shall be processed in the same way as other complaints under Article 15, except for the following. Where a complaint is submitted to arbitration:

- (a) The arbitrator shall be empowered to determine any question of fact or law including whether any requirement of Article 18 has been followed. This includes, but is not limited to, whether the Employer (including a selection panel) has made an error in the process of assessing the applicant's qualifications based on the evidence which was (or should have been) before it. However, the arbitrator shall not be empowered to decide who should have been selected in accordance with Article 18.
- (b) As a remedy, the arbitrator may declare the competition and its results null and void, and order the competition or any part of it to be run again with directions as to how it is to be conducted.
- (c) Notwithstanding Article 18.6 (a), where a competition complaint involves the application of Article 18.3.2, the arbitrator may award the job in question to the complainant where the selection panel determined that the complainant's qualifications and ability were relatively equal to the non-AMAPCEO unit applicant incorrectly awarded the job.

Temporary Assignments

18.7.1 Where an employee is assigned temporarily to a position Article 18 (Recruitment - Posting and Filling of Vacancies) shall not apply except where:

- (a) the term of the temporary assignment is greater than nine (9) months duration, and the surplus clearance requirements of Article 27 have been met and
- (b) the specific dates of the term are established at least two (2) months in advance of the commencement of the temporary assignment.

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

- 18.7.2 Where an assignment was not posted pursuant to Article 18.7.1, and an employee has continuously been in the position since the initial assignment, the assignment shall be posted and filled competitively within eighteen (18) months of the initial assignment, where the Employer determines that the work is continuing either on a temporary or permanent basis.
- 18.7.3 The provisions of Article 18.1 to 18.6 shall apply where an employee is temporarily assigned in accordance with the provisions of Article 18.7.1 and 18.7.2.

- (a) within twelve (12) months of the conclusion of a previous competition for the identical positions, where the Employer offers the vacancy to the most qualified applicant as determined in the previous competition who has not yet been offered the position, and continuing, if necessary, in descending order of qualification. An identical position includes a temporary vacancy arising after a competition for a permanent position.

Where a vacancy is filled pursuant to this clause, the Employer shall provide the Association with the names of the AMAPCEO members who were interviewed in the previous competition. Article 18.5 shall apply;

- (b)(i) where the Employer and the Association agree to transfer an employee based on compassionate grounds, the Employer will attempt to find a permanent vacant position identical to the employee's position elsewhere in the OPS, or, if unavailable, the employee may be assigned to a vacant position, as agreed upon between the Employer and the Association, provided he or she is qualified to perform the normal requirements. It is understood that if the Employer does not agree to the permanent assignment or if no permanent assignment is found at the time of submission, the request may be withdrawn by the Association. Where the request is not withdrawn by the Association, the Employer will continue its search until a permanent position is found. Where the Association does not agree to the permanent assignment, the request will be withdrawn;

It is agreed that if the employee is transferred pursuant to this article, he or she must complete the full duration of the assignment and is not eligible for relocation expenses. It is further understood that if the Employer does not agree to the temporary assignment or if no temporary assignment is found at the time of submission, the request may be withdrawn by the Association. Where the request is not withdrawn by the Association, the Employer will continue its search until a temporary position is found. Where the Association does not agree to the temporary assignment, the request will be withdrawn;

- (iii) Where the parties initially agreed to a permanent or temporary transfer on compassionate grounds and no position has been found, the Employer or the Association may withdraw its original agreement, if the circumstances affecting those compassionate grounds have changed materially;

 - (i) identical to the employee's position in the same ministry or, if unavailable,
 - (ii) identical to the employee's position in a different ministry, or, if unavailable,
 - (iii) at the same or lower classifications within the same ministry, or if unavailable,
 - (iv) at the same or lower classifications within a different ministry, provided he or she is qualified to perform the normal requirements;

the Employer shall, with the employee's agreement, assign the employee to the position on a permanent basis. If the employee does not agree, the Employer shall post the vacancy and the employee shall return to his/her home position.

If at the end of twenty-four (24) months an employee was not offered an assignment to the position on a permanent basis because the conditions of 18.8.1(e)(ii) were not met, but the position continues for eighteen (18) months, then the Employer shall, with the employee's agreement, assign the employee to the position on a permanent basis at the conclusion of this eighteen (18) month period. If the employee does not agree, the Employer will post the vacancy and the employee shall return to his/her home position.

- (f) where the employee's position is being changed either from full time to regular part time or vice versa, with the employee's consent. In such cases, the clearance requirements under Article 27 shall not apply. Where the employee does not consent, the employee will be given surplus rights under Article 27;
- (g) a newly reclassified position shall not be considered a vacancy for the purposes of Article 18.1 and the current incumbent shall retain the position. For clarity, surplus clearance is not required or permitted in any such reclassification;
- (h) In addition, any employee who is directly assigned under Article 27 and who then applies for a vacant position or whose duties are changed as a result of a reorganization or reassignment of duties and the position is reclassified to a lower classification is entitled to be appointed to the first vacant position which:

and the provisions of Articles 18.1 to 18.5 shall not apply unless otherwise specified.

The parties agree that the process and rules for exercising Article 18.8.1(h) entitlements are as follows and that the collective agreement shall be interpreted and applied accordingly:

PRECONDITIONS:

1. The "precondition events" that trigger Article 18.8.1(h) entitlements are if:
 - (a) an employee is directly assigned under Article 27 to a lower classification; or
 - (b) an employee's duties are changed because of a reorganization or reassignment of duties so that the position is reclassified to a lower classification.

The position the employee ends up in after the precondition event is herein after referred to as the "reclassified/redeployed position".

PROCESS:

- 2.1 A permanent, regular AMAPCEO position is posted and an employee applies for the position and indicates that they wish to trigger their Article 18.8.1(h) entitlements and also identifies:
 - (a) what their position/class was immediately prior to the "precondition event "(to be referred to as "original position");
 - (b) what Branch/Ministry the "original position" was in;
 - (c) what is the "reclassified/redeployed position";
 - (d) what Branch/Ministry the "reclassified/redeployed position" is in; and
 - (e) date they were put into "reclassified/redeployed position";
 - (f) their current home position and Branch/Ministry if different than (c) or (d);
 - (g) whether they have been reassigned under Article 18.8.1(h) since they were put into the "reclassified/redeployed position".

- 2.2 The competition process for the posted position is held in abeyance and the criteria under 18.8.1(h) are reviewed to determine the applicant's eligibility to exercise rights under this article:
 - (a) Precondition 1(a) or 1(b) above occurred; and
 - (b) The position being applied for is in the Ministry where the applicant's current home position resides, including the applicant's Ministry as modified by Article 27.12, where applicable; and
 - (c) The position applied for is at a salary maximum higher than the home position the employee currently holds, but not higher than the salary maximum of the "original position".

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

- 2.3 If 2.2(a), (b) and (c) are not satisfied then the competition process continues and the applicant is given no special consideration, but is still considered an applicant for the position.
- 2.4 If 2.2(a), (b) and (c) are satisfied then the applicant may be interviewed and will be appointed to the position provided the "qualified to perform" criterion is met.
- 2.5 The Employer may decide that an interview is not necessary, in which case the Employer may waive the interview and approve the assignment.
- 2.6 If an applicant is not "qualified to perform", the competition process continues, and the applicant is given no special consideration but is still considered an applicant for the position.
- 2.7 If more than one AMAPCEO bargaining unit employee triggering this Article is "qualified to perform" in respect of the same position, the employee with greater seniority will be appointed to the position.
- 2.8 There is no limit on the number of times an employee can apply for such a placement.
- 2.9 An employee who applies for a placement under Article 18.8.1(h) and is accepted and then refuses the placement, has no rights under Article 18.8.1(h) unless one of the preconditions in 1(a) or (b) occurs again.

18.8.2 The following situations resulting in a demotion are exempt from posting requirements:

- (a) the employee demonstrates an inability to perform the essential duties of their position (includes loss of required licenses); or
- (b) the employee is unable to perform essential duties due to health reasons; or
- (c) the duties of the position are changed by management, resulting in a reclassification; or
- (d) the employee's position is re-evaluated and reclassified.

and the provisions of Articles 18.1 to 18.5 shall not apply.

18.8.3 Where the duties of a position are modified to accommodate an incumbent employee with a disability, the position shall not be considered a vacancy for the purposes of Article 18 and the incumbent shall retain the position.

18.8.4 A demotion under Article 18.8.2 shall not result in the relocation of an employee's workplace beyond 40 kilometres, unless agreed otherwise.

18.8.5 **Regular Employees Acting in Temporary Positions**

18.8.5.1 Where an employee was temporarily assigned to a temporary position for at least twenty-four (24) months and there is a continuing need for the work to be performed on a full time basis for greater than an additional twenty-four (24) months, the ministry shall establish a position within the Regular Service to perform that work.

18.8.5.2 Where the ministry has determined that it will convert a position in accordance with Article 18.8.5.1 and where:

24.9 The parental leave of an employee who takes pregnancy leave must begin when the pregnancy leave ends unless the child has not yet come into the custody, care and control of a parent for the first time.

24.14 Payments under the Supplementary Employment Benefit Plan will not apply to leave that continues after fifty-two (52) weeks following the day the child is born or comes into the custody, care and control of the parent for the first time, where Employment Insurance benefits do not apply. 24.20

An employee returning to work after pregnancy leave, parental leave or extended leave referred to in Articles 24.19 or 24.22 shall be reinstated to the position the employee most recently held with the Employer on a regular and not a temporary basis, if the position still exists, or to a comparable position, if it does not.

If otherwise eligible, the employee is entitled to continue benefit coverage during the leave by paying both the employee's and the Employer's share of the premiums.

ARTICLE 25 - HEALTH AND SAFETY

- 25.1 The Employer shall make reasonable provisions for the health and safety of employees during the hours of their employment. The Employer and the Association shall co-operate to the fullest extent possible in the prevention of accidents and in the reasonable promotion of health and safety of all employees.

Such notice will be provided in writing, no less than ninety (90) calendar days prior to the implementation of the technological change. This ninety (90) calendar day period shall not extend any other notice to be given under this Agreement and may run concurrently with any such other notice.
- 26.2 In order to minimize adverse effects of technological change on employees under Article 26.1, issues of reassignment and/or training of affected employees will be referred for resolution to the AMERC for ministry specific changes or to the ACERC for cross ministry or OPS wide changes.

ARTICLE 27 - JOB SECURITY

27.1 Application

- 27.1.1 This Article applies to all employees in the AMAPCEO bargaining unit.
- (a) Probationary employees shall have all rights under this Article, except bumping rights. Nothing in this Article shall be deemed to be a recognition of seniority or continuous service for probationary employees for other purposes.
- (b) Fixed term employees under the Agreement will have notice entitlements under the *Employment Standards Act* and be entitled to apply to restricted competitions under Article 27.11.9 for twenty-four (24) months after the date of layoff.

27.3 Administrative Measures

27.3.1 Surplus Clearance

All permanent and temporary vacancies in excess of nine (9) months must “clear surplus” corporately before they can be filled. However, after a job vacancy has cleared surplus until a job offer has been accepted, the vacancy shall remain available for targeted direct assignment purposes. For clarity:

- (a) a position will “clear surplus” when it has been posted for at least ten (10) working days prior to the established closing date, and the first subsequent

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

twice monthly (first Friday or third Friday) targeted matching process under 27.8 has been completed in respect of that position.

For clarity, the types of temporary positions and assignments that must clear surplus before being filled include:

- (i) backfill assignments for leaves of absence for regular AMAPCEO unit employees, including extended educational leave, Long Term Illness Protection (LTIP) and Workplace Safety and Insurance Board (WSIB) benefit absences;
 - (ii) project assignments for non-recurring ministry programs or projects;
 - (iii) secondments, developmental opportunities and other training opportunities;
 - (iv) positions in the fixed term service and temporary agency contracts.
- (b) For clarity, the release from redeployment purposes of a permanent or temporary vacancy that has been submitted for clearance shall not occur until a job offer is accepted or the posting has been cancelled.

27.3.2 Permanent and temporary vacancies may be posted through recruitment in accordance with Article 18 and surplus clearance in accordance with Article 27.3.1, concurrently.

27.3.3 Where there is a temporary assignment of 9 months or less, and the employer extends it by 3 months or less, the temporary assignment will not have to clear surplus, regardless of whether its total length exceeds 9 months. However, where the employer extends a temporary assignment by greater than 3 months and such extension results in its total length exceeding 9 months, the assignment must clear surplus.

27.3.4 Where the term of a temporary assignment which has cleared surplus must be extended for operational reasons, the temporary assignment may be extended without reclearing surplus one time only, to a maximum extension of three (3) months.

27.3.5 **ACERC / AMERC Reports**

Information shall be made available to AMAPCEO as part of the regular reporting to AMERC and ACERC on (1) all vacancies that have “cleared surplus” and (2) all AMAPCEO unit employees on either the current surplus list or the recall rights list.

27.3.5.1 Regular monthly reports of the information in (a) and (b) below will be made to the AMAPCEO Corporate office on a monthly basis in an electronic format agreed to by the parties such that the information can be sorted by Ministry. The Employer further agrees that AMAPCEO may provide to each of its AMERC Committees the information provided by the Employer but it will do so in respect of each Ministry alone and will not provide the information to other AMERCs.

- (a) permanent vacancies and temporary vacancies in excess of nine (9) months which are sent for corporate surplus for clearance. Report to include the position title, level, module, branch and location for the position; the date sent; the date cleared, filled by a surplus or recall employee or cancelled. If cleared, its clearance number and if cancelled, the rationale shall be reported.
- (b) temporary assignments that must clear surplus pursuant to Articles 27.3.1 and 27.3.3. Report to include the position title, level, module, branch, location, start and ending dates, extensions, corporate clearance number(s) if applicable; name of person filling the vacancy, their home position and home bargaining unit status
- (c) The reports in (a) and (b) above shall include all permanent and temporary vacancies that have received surplus clearance but have not been filled after three (3) months of the initial clearance and all permanent and temporary postings that have been cancelled in the reporting month.

27.3.6 **Seniority Lists**

An OPS-wide seniority list and the relevant ministry/regional seniority list, including the employees' names, date of continuous service, ministry, level, module, job title location and region shall be maintained and posted (hard copy or electronic posting) in all work sites on a quarterly basis, with copies provided to AMAPCEO on a quarterly basis.

27.3.7 **Employee Home Address**

The employee must advise the Employer in writing of any changes to the home mailing address. If the employee fails to keep their mailing address updated, the employee's current address shall be deemed to be the most current home address in the employee's personnel file.

27.3.8 **Employee Form**

All new employees must complete an employee form within their probationary period. The employee form will be placed on the employee's personnel file.

Notwithstanding the above, the Employer shall require any employee that it has

reasonable grounds to believe may be declared surplus to complete an Employee form within six (6) days of receiving Notice of Layoff.

The current AMAPCEO employee form, will not be altered while the terms and conditions of this collective agreement remain in effect.

27.3.9 It is the responsibility of the employee to ensure that the employee portion of the information on the form is complete, current, and accurate. Similarly, it is the manager's responsibility to ensure that the Employer portion is complete, current and accurate and that all other actions of the Employer required to complete the process are taken.

An Employee form will be deemed to include the qualifications and knowledge as identified in the employee's current position description for the purposes of Article 27.8 (Targeted Direct Assignment), unless otherwise modified by the employee.

27.3.10 As part of the Employee form the employee shall indicate what, if any, modifications to geographic parameters, as set out in Article 27.9.3, the employee will accept under Article 27.9.3. Such modifications will be treated as being within parameters for the purposes of bumping.

For purposes of both targeted direct assignment and bumping, the employee may advise the Employer in writing, at any time of his or her desire to update the employee portion of an Employee Form to reflect the acquisition of new or improved skills, knowledge and abilities, and/or change the geographic parameters. Such changes shall be implemented the day following receipt by the Employer of the updated employee portion of the Employee Form.

27.3.11 If an employee fails to complete the employee portion of an Employee Form by the end of the third month, the employee shall be deemed to have waived any right to bumping in the event that the employee is bumped by a more senior employee. In such cases, the employee may choose one of the same options available to a volunteer under Article 27.5.3 as specified in Article 27.5.4.

27.3.12 **Treatment of Surplus Notice During Leaves of Absence or Temporary Assignments**

27.3.12.1.1 Where the employee's position is declared surplus while the employee is away on a sick leave (STSP, LTIP or WSIB), the ministry shall notify the employee that his or her position has been declared surplus and that, when the employee returns to work, the surplus notice shall be issued.

27.3.12.1.2 Where the employee's position is declared surplus while the employee is away on a leave of absence, the ministry shall notify the employee that his or her position has been declared surplus and inform the employee of the option to:

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

- (a) return early from the leave of absence and receive the surplus notice at that time; or
- (b) return at the end of the leave and receive the surplus notice at that time.

27.3.12.1.3 Where the employee's position is declared surplus while the employee is on a temporary assignment or secondment within the OPS, the home ministry has the option of:

- (a) returning the employee to his or her home position and issuing the surplus notice at that time; or
- (b) giving the employee the surplus notice and allowing the employee to remain on temporary assignment until directly assigned into a permanent vacancy, the temporary assignment ends, or the notice period expires, whichever occurs first.

27.3.12.2 Treatment of Surplus Notices Issued Before an Employee Goes on a Leave of Absence or a Temporary Assignment

27.3.12.2.1 Where the employee's position is declared surplus before a LTIP or WSIB sick leave of absence begins, the employee's notice shall be put on hiatus for the duration of the leave. When the employee is able to return to work, the balance of the notice period shall continue.

27.3.12.2.2 Where the employee's position is declared surplus before a STSP leave of absence, the employee's notice shall be put on hiatus if from the beginning of the STSP leave the medical evidence (e.g. stroke) indicates that the leave will be greater than one (1) month.

Where the employee is on a sick leave and is expected to return to work within one (1) month (e.g. cold or flu), the surplus notice is not placed on hiatus. However, if, after one (1) month on STSP, the employee's prognosis for returning to work remains uncertain, the surplus notice is put on hiatus until the employee is able to return to work.

- (a) If the employee bumps or is directly assigned to a new position before going on STSP/LTIP/WSIB, the accepting ministry must honour the leave of absence.

27.3.12.2.3 Where the employee's position is declared surplus before a leave of absence begins, the employee may choose to:

- (a) accept a hiatus in the surplus notice period during the leave or absence; or
- (b) return early from the leave of absence.

When the employee returns from the leave of absence the balance of the notice period shall continue.

If the employee bumps or is directly assigned to a new position before going on the leave of absence, the accepting ministry must honour the leave of absence.

- 27.3.12.2.4 Where the employee's position is declared surplus before the beginning of a temporary assignment or secondment within the OPS (and before the employee is eligible for targeted direct assignment into a temporary assignment under the Agreement), the employee's surplus notice is put on hiatus during the temporary assignment and all redeployment activities cease, but the employee may continue to identify and be considered for vacancies under Article 27.8. This provision only applies where the temporary assignment or secondment is for more than six (6) months and is filled competitively.

At the end of the temporary assignment or secondment, the balance of the notice period shall resume. The employee shall return to his or her home position if it still exists or to a comparable position within the ministry/OPS. The employee shall remain eligible for targeted direct assignment to temporary assignments in accordance with Article 27.10 of the Agreement.

27.3.13 **Job Trading Program**

The expanded Ontario Public Service Job Trading Program for Regular Employees, as described in the *Guide to the Ontario Public Service Job Trading Program* dated July 2008 shall continue.

27.3.14 **Eligibility for Employment Insurance**

The parties agree that all employees who accept a pay-in-lieu option under Article 27.7, including those employees who registered pursuant to Article 27.4, are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that the Employment Insurance Commission recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered 'workforce reduction processes' under the *Employment Insurance Act*.

27.4 **Program to Reduce Adverse Impacts of Surplusing and Bumping**

- 27.4.1 Every employee in the bargaining unit may register at any time in writing with their designated human resources contact, to be eligible to elect one of the same options available to a volunteer under Article 27.5.3 as specified in Article 27.5.4.

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

27.4.2 Within ten (10) days following registration, the registrant's job shall be made available for targeted direct assignment, and shall be deemed to be a vacancy for the purpose of this Article.

27.4.3 The registration can be withdrawn by the registrant on written notice being received by the designated human resources contact.

27.4.4 The registrant shall be required to elect one of the same options available to a volunteer under Article 27.5.3 as specified in Article 27.5.4 where:

(a) the surplus employee is matched to the registrant's job, and;

(b) the surplus employee accepts the targeted direct assignment, and;

(c) the registrant's job was not withdrawn as per Article 27.4.3.

27.4.5 A registrant's job is available for targeted direct assignment to employees at the time they are declared surplus and throughout their notice period, under the rules set out in Article 27.8.

27.4.6 When the conditions of (a), (b) and (c) of Article 27.4.4 have been met, the last day of work for a registrant shall be five (5) days after confirmation of the targeted direct assignment of a surplus employee into the registrant's position, unless another date is mutually agreed upon.

27.4.7 Where the employee does not choose a specific option under Article 27.5.4, the employee shall be deemed to have chosen the pay-in-lieu option in Article 27.7.1(a).

27.5 **Layoff**

27.5.1 Where a layoff may occur, the identification of individual(s) to be declared surplus within an administrative district or unit, institution or other such work unit shall be in accordance with seniority (years of continuous service in the OPS, as currently defined) in the job functions that the Employer has determined are to be reduced or eliminated. The subsequent matching process and targeted direct assignment into vacancies, bumping, layoff, and recall shall also be in accordance with seniority, subject to the conditions set out in this Agreement.

27.5.2 **Surplus Notice Alert**

Where one or more positions in a work unit will be declared surplus, all employees in the work unit will be provided with a written Surplus Notice Alert not less than six (6) days prior to the issuance of any notice of layoff. The Surplus Notice Alert will describe the work unit, the job functions to be reduced and the number of positions to be reduced.

- 27.5.3 The Surplus Notice Alert will also:
- (a) Offer the employees, whose positions are specifically identified for surplus, to exit the OPS with one of the options outlined in Article 27.5.4, if they plan to exit OPS and not seek a targeted direct assignment under Article 27.8 or a bump under Article 27.9.
 - (b) Invite all employees working in the affected job functions to volunteer to exit the OPS with one of the options outlined in Article 27.5.4. Volunteers to exit the OPS will be approved on the basis of seniority up to the numbers required. Volunteers not approved may register under Article 27.4.
- 27.5.4 Volunteers under Article 27.5.3 must respond to the Employer in writing within five (5) days of the issuance of the Surplus Notice Alert. The response must indicate which one of the following options the employee selects:
- (a) Pay-in lieu option under Article 27.7.1(a); or
 - (b) Pay-in-lieu option under Article 27.7.1(b); or
 - (c) Immediate retirement if eligible for a permanent pension factor (90, 60/20, Age 65) under the Public Service Pension Plan; or
 - (d) Pension Bridging under 27.21, if eligible, to the employee's first permanent unreduced pension factor (90, 60/20, Age 65), under the Public Service Pension Plan.

For clarity, severance and enhanced severance under Articles 27.15 and 27.20 apply to options (a) through (d).

The Employer will respond in writing within five (5) days of receipt of an employee's request. An employee's last day at work will be five (5) days from receipt of the Employer's acceptance; however, this date may be extended upon agreement of the employee and the Employer.

- 27.5.5 For clarity, if an employee does not exit under Article 27.5.3, it will not affect or preclude his/her entitlement to any option if the employee subsequently receives a notice of layoff.

27.6 **Notice of Layoff**

- 27.6.1 An employee who is declared surplus shall be given not less than six (6) months notice in writing of the date of layoff. The notice shall advise the employee in writing of all options in accordance with Article 27.6.2. AMAPCEO shall be copied on all notices issued. A notice shall not be issued to an aboriginal employee or to an employee with a disability, as defined under the Ontario *Human Rights Code*,

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

without the consent in writing of the employee's Deputy Minister. It is the employee's responsibility to self-identify to their designated human resources contact.

27.6.2 The notice of surplus will:

(a) Indicate that the employee has the following options:

(i) identifying a targeted direct assignment under Article 27.8 into vacancies for the remainder of the notice period, within the parameters described in Article 27.8.1; or,

(ii) accept a pay-in-lieu option as set out in Article 27.7.1

(b) indicate that if the employee fails to inform the designated human resources contact, in writing, within ten (10) working days of the receipt of the notice of his or her intention to accept one of the specific options listed, the employee shall be deemed to remain available for targeted direct assignment pursuant to Article 27.6.2(a)(i);

(c) inform the employee whether he or she is eligible for the pension bridging option under Article 27.21.

(d) indicate that if the employee opts to remain available for targeted direct assignment and if he or she has not been assigned to a vacancy through a targeted direct assignment by the end of fifth (5th) month from the receipt of notice of surplus, the Employer will identify the bumping option, if any, as described under Article 27.9

27.6.3 Where a surplus employee remains available for a targeted direct assignment, pursuant to Article 27.6.2(a)(i), the Employer shall provide the employee with:

(a) notification of all AMAPCEO unit vacancies through postings, e-mail, the Internet or other methods;

(b) reasonable time during working hours, without loss of pay or credits for transitional support activities (e.g. interviews, job search activities, identify targeted direct assignments, and retraining or counselling activities) and such time off will not be unreasonably withheld;

(c) reasonable ongoing access to office space and office equipment in the event that the employee's home position is eliminated before the end of the notice period.

27.6.4 Any notice required to be given under this Article shall be deemed to have been received by the employee on the day on which it is delivered in person. Otherwise,

the notice shall be sent to the last address of the Employee that is on record with the Employer and shall be sent by certified mail or another means whereby receipt of such notice is confirmed. Wherever possible, the notice shall be personally delivered by the Employer to the employee.

27.6.5 When an employee is to receive a notice of layoff, the Employer will notify AMAPCEO of the time and place of the Surplus Notice Alert and notice of layoff meeting.

27.7 **Pay-In-Lieu Option**

27.7.1 Pay-in-lieu options under this Agreement means either:

- (a) a lump sum of six (6) months' pay, plus severance as provided for in Article 27.15, and enhanced severance under Article 27.20, payable as soon as possible, but not later than three pay periods following acceptance of the pay-in-lieu option, in which case all salary and benefit entitlements which would have accrued to the employee from the last day worked to the layoff date are forfeited; or
- (b) continuance of salary plus benefits (except STSP and LTIP) commencing on the date set out in Article 27.7.3 for the duration of the notice period, plus severance as provided for in Article 27.15, and enhanced severance under Article 27.20 paid out at the layoff date.

27.7.2 Where the employee advises the Employer of preferences for payment under Article 27.7.1 to ensure tax-effective treatment, the Employer will comply subject to requirements at law.

27.7.3 Where an employee accepts a pay-in-lieu option pursuant to this Article, the employee's last day at work shall be five (5) working days after the employee advises or is deemed to advise the Employer of the acceptance of a pay-in-lieu option, or such other period as the employee and the Employer shall agree.

27.7.4 An employee who is declared surplus who does not accept or is not deemed to have accepted a pay-in-lieu option may during the notice period indicate that he or she wishes to take a pay-in-lieu option in which case the particular pay-in-lieu option chosen shall be calculated from the last day of work until the end of the notice period.

27.7.5 Where an employee accepts a pay-in-lieu option pursuant to this Article, any further entitlements under this Agreement are forfeited with the exception that the employee will be eligible to apply for restricted competitions from the last day of work until twenty-four (24) months from the date on which layoff would otherwise have occurred.

- 27.7.6 Where an employee who accepts a pay-in-lieu option pursuant to this Article is reappointed to a position in the Ontario Public Service prior to the originally projected layoff date, the employee will repay to the Treasurer of Ontario a sum of money equal to the amount paid for the period between the date of reappointment and the original projected layoff date. The employee's continuous service date, for all purposes except severance, shall be deemed to include both service up to last day of work and the accumulation of service after the date of reappointment. The new continuous service date for severance purposes shall be the date on which the employee recommences work.
- 27.7.7 An employee who accepts a pay-in-lieu option pursuant to this Article shall forfeit any entitlements under the Surplus Factor 80 program, if any, pursuant to Article 27.19 (Surplus Factor 80).
- 27.8 **Targeted Direct Assignment**
- 27.8.1 An employee who has received notice of lay-off in accordance with this Article shall be assigned to a vacant position during his or her notice period provided that:
- (a) the employee identifies the vacancy in accordance with Article 27.8.3, and indicates that he/she has received notice of layoff and is eligible for targeted direct assignment; and
 - (b) the employee meets the entry level qualifications for the position; and
 - (c) the vacancy is at the same level of the employee's home position or any lower levels;
 - (d) there is no other AMAPCEO unit employee who has a greater length of continuous service and who is eligible for targeted direct assignment to the vacancy pursuant to this Article.
- 27.8.2 It is understood that the employee may identify a vacancy outside of the forty (40) kilometre radius from the surplus employee's existing permanent work location and that relocation expenses will not be paid.
- 27.8.3 In Article 27.8.3.1 – 27.8.4.1, "match date" means the first or third Friday of each month, whichever applies.
- 27.8.3.1 Where a vacancy has not cleared surplus, an employee may identify a vacancy that they would like to be assigned to prior to the closing date in accordance with the Employer's centralized corporate wide process, and may at the same time submit specific information to supplement the centrally held employee form through a supplementary employee form. If the employee identifies more than one position that has not cleared surplus, the employee shall rank their preferences, in numerical order prior to the match date. Employees may alter their numerical preferences,

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

including withdrawing an identified vacancy, as they apply for subsequent positions but shall do so prior to the match date.

- 27.8.3.2 An employee may also identify a vacancy that they would like to be assigned that has cleared surplus and for which a job offer has not been accepted or any position on the Voluntary Exit Registry in accordance with the Employer's centralized corporate wide process, and may at the same time submit specific information through a supplementary employee form. The Employee must do so prior to the match date and must submit a single integrated list of ranked preferences for all vacancies identified including those that have not cleared surplus.
- 27.8.4 On the match date, the Employer shall, through a centralized corporate-wide process, undertake a targeted direct assignment matching process, using the most recent employee form held centrally and/or any specific information submitted in the supplementary employee form. This process shall be completed as soon as practicable. For certainty, the targeted direct assignment matching process undertaken is in respect of all vacancies identified prior to the match date. No matching of a vacancy to an employee who did not identify it prior to the match date shall take place until the subsequent match date.
- 27.8.4.1 The Employer shall assign the employee to the first position for which the employee is eligible, in accordance with the employee's ranked numerical preferences for vacant positions that the employee identified in accordance with Article 27.8.3.1 and 27.8.3.2. Where matches are available for more than one employee, the vacancy shall be assigned to the employee with the most seniority. If the employee fails to rank a position s/he has identified, the Employer shall first consider the position in order of ranked preferences, if any, and then shall consider positions in order of their chronological date of posting.
- 27.8.5 The Employer shall advise the employee within ten (10) working days of completing the targeted direct assignment matching process if s/he is directly assigned to the position. An employee shall be required to inform the Designated Human Resource Contact in writing within two (2) full working days of receiving notification of a targeted direct assignment whether the assignment will be accepted.
- 27.8.6 An employee who is directly assigned to a vacancy in accordance with this Article shall retain the current level of pay for the remainder of the notice period. Thereafter, if the position into which the employee is directly assigned is in a lower level, the employee shall retain his or her existing salary, if the maximum salary for the level is the same or higher than the employee's existing salary. However, if the maximum salary for the lower level is below the employee's existing salary, then the employee's salary shall be reduced to the maximum of the lower level.
- 27.8.7 The actual physical transfer of any employee who accepts a targeted direct assignment shall be carried out within a reasonable period of time following the

date on which the willingness to accept the assignment was indicated, subject to mutually agreed upon arrangements to delay the transfer.

27.8.8 When an employee who remains available for targeted direct assignment pursuant to Article 27.6.2(a)(i) refuses a targeted direct assignment to an AMAPCEO unit permanent position, the employee shall forfeit all further rights under Articles 27.8, 27.9, 27.10, 27.11 (with the exception of the right to apply to restricted competitions for a twenty-four month period) and Article 27.14.3 and 27.14.4 and shall either be laid off at the end of the notice period or take a pay-in-lieu option for the remainder of the notice period, under Article 27.7.4.

27.8.9 An employee who does not exercise bumping rights or take a pay-in-lieu option and who has not been offered a targeted direct assignment to a vacancy in accordance with this Article shall be laid off at the end of the notice period.

27.9 **Bumping**

27.9.1 If an employee has not been directly assigned in accordance with Article 27.8 by the end of the fifth (5th) month from the receipt of the notice of surplus, the Employer shall identify the bumping option, if any, for employees who are declared surplus and employees who are bumped by employees with greater seniority and have bumping rights. In identifying the bumping option, the Employer shall, in accordance with the ordering rules in Article 27.9.3, look for the permanent AMAPCEO unit position occupied by the least senior employee for which the surplus employee is qualified, based on the following criteria:

the employee

- (a) is currently performing the work of the position; or
- (b) has performed the work of the position within the previous three (3) years;
or
- (c) would be able to perform the work within five (5) weeks.

Where the employee is unable to perform the work after five (5) weeks, the Employer will identify an alternate bump, if available, or the employee may choose a pay-in-lieu option under Article 27.7.1 or targeted direct assignment. The period of up to five (5) weeks shall be considered a hiatus in the notice period.

27.9.2 Notwithstanding Article 27.9.1 no aboriginal employee or employee with a disability, as defined in the Ontario *Human Rights Code*, shall be bumped by a more senior employee.

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

- 27.9.3.1 The Employer shall identify the first available permanent AMAPCEO unit position, occupied by the least senior employee, according to the following ordering rules and the criteria under Article 27.9.1:
- (i) in the employee's current functional group and level, within 40 km of the current work location;
 - (ii) in the remaining functional groups of the employee's current module and level, within 40 km of the current work location;
 - (iii) in the modules of any prior positions held by the employee, within the same level of the employee's current position, within 40 km of the current work location;
 - (iv) in the employee's current functional group, one (1) level below the employee's current level, within 40 km of the current work location;
 - (v) in the remaining functional groups of the employee's current module one (1) level below the employee's current level, within 40 km of the current work location;
 - (vi) in the modules of any prior positions held by the employee, one (1) level below the employee's current level, within 40 km of the current work location;
- 27.9.3.2 Where an employee has modified his or her geographic parameters in Article 27.3.9 beyond 40 km, the search shall be carried out in accordance with the employee's modification under ordering rules in (i) to (vi) above, in the same descending order.
- The ordering rules set out above will be carried out sequentially until a bump is found or the search is exhausted.
- 27.9.3.3 The Employer shall declare surplus an employee who is bumped and shall determine the options under Articles 27.6.2 for that employee and provide the bumped employee with a notice under Article 27.6 as soon as practicable.
- 27.9.3.4 The first employee who is bumped by an employee exercising his or her right to bump under Article 27.9 will have bumping rights under 27.9 and 27.6.2 (e). The employee bumped by the first bumped employee will also have all their rights under Article 27, including bumping rights but the employee he or she subsequently bumps will have all rights under Article 27 but not bumping rights.
- 27.9.3.5 The Employee shall have five (5) days to notify the Employer whether he or she accepts a bump. Rejecting a bump does not affect any other rights under Article 27.

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

- 27.9.3.6 Where an employee will be bumped as a result of Article 27.9, the Employer shall advise the employee in writing, with a copy to the Association, to complete an employee form no later than ten (10) days prior to the issuance of the employee's notice of layoff.
- 27.9.3.7 Where an employee in a multi-incumbent position will be bumped as a result of Article 27.9, the employees in the multi-incumbent position will be provided with a written Bump Notice Alert not less than ten (10) days prior to the issuance of any notice of layoff to an employee identified to be bumped.
- 27.9.3.8 The Bump Notice Alert will invite all employees working in the multi-incumbent position to volunteer to exit the OPS with one of the options outlined in Article 27.9.3.9. The volunteer to exit the OPS will be approved on the basis of seniority. The volunteers not approved may register under Article 27.4.
- 27.9.3.9 The volunteer under Article 27.9.3.8 must respond to the Employer in writing within five (5) days of the issuance of the Bump Notice Alert. The response must indicate which one of the following options the employee selects:
- (a) Pay-in lieu option under Article 27.7.1(a); or
 - (b) Pay-in-lieu option under Article 27.7.1(b); or
 - (c) Immediate retirement if eligible for a permanent pension factor (90, 60/20, Age 65) under the Public Service Pension Plan; or
 - (d) Pension Bridging under 27.21, if eligible, to the employee's first permanent unreduced pension factor (90, 60/20, Age 65), under the Public Service Pension Plan.
- For clarity, severance and enhanced severance under Articles 27.15 and 27.20 apply to options (a) through (d).
- The Employer will respond in writing within five (5) days of receipt of an employee's request. An employee's last day at work will be five (5) days from receipt of the Employer's acceptance; however, this date may be extended upon agreement of the employee and the Employer.
- 27.9.4 An employee who bumps into a position in a lower level shall retain his or her existing salary if the maximum for the level into which the employee is bumping is the same or higher than the employee's existing salary. However, if the maximum salary for the lower level is below the employee's existing salary, then the employee's salary shall be reduced to the maximum of the lower level.
- 27.9.5 The actual physical transfer of any employee who is exercising bumping rights shall be carried out forthwith but not later than the end of the notice period. Where the

physical transfer of an employee pursuant to this article will occur prior to the bumped employee receiving a notice of layoff, the employer shall provide the bumped employee with at least one (1) day advance notification that they have been identified as an employee to be bumped.

27.9.6 Where an employee bumps into a position beyond 40 km of the employee's current work location, the employee will not be eligible for relocation expenses.

27.10 **Targeted Direct Assignments into Temporary Vacancies**

27.10.1 Surplus employees shall be eligible for targeted direct assignment into temporary assignments identified under Article 27.3.1 in the last two (2) months of their notice, in the same manner set out in Article 27.8, and the same rules, criteria and procedures as set out in Article 27.8 will apply.

Where more than one (1) surplus employee match the temporary assignment, the employee with greater seniority shall be offered the temporary assignment.

27.10.2 A surplus employee shall retain his or her status in the regular service and current salary entitlements while placed in a temporary assignment so long as the maximum for the classification of the temporary assignment is the same or higher than the employee's existing salary. If the maximum salary for the temporary assignment is lower than the employee's existing salary, then the employee's salary shall be reduced to the maximum of the lower classification once the notice period has expired.

27.10.3 Subject to Article 27.10.1, for placement into temporary assignments, the Employer shall use the same criteria and rules as for targeted direct assignment into vacancies in Article 27.8.

27.10.4 An offer of a temporary assignment to a surplus employee must be in writing and must specify the duration of the temporary assignment.

27.10.5 The surplus employee shall have five (5) working days in which to accept or reject the offer of a temporary assignment.

27.10.6 Where a surplus employee accepts a temporary assignment under Article 27.10, it shall be considered to be a hiatus in their notice period under Article 27.6 for the duration of their temporary assignment and all redeployment activities cease. Notwithstanding this hiatus, the employee may continue to identify and be considered for vacancies under Article 27.8. At the end of the temporary assignment or secondment, the balance of the notice period, as well as all redeployment activities shall resume; however, the original temporary assignment may be extended by a maximum of three (3) months.

27.10.7 Where an employee in a temporary assignment is directly assigned to a permanent vacancy, the reporting date to the permanent position shall be no later than one (1)

month from the date of offer, unless otherwise mutually agreed upon with the employee, the ministry with the permanent vacancy and the ministry with the temporary assignment.

- 27.10.8 When a temporary assignment takes place, the employee shall not be unreasonably denied the opportunity to complete any portion of training already underway.
- 27.10.9 Surplus employees who refuse a temporary assignment shall continue to be eligible for targeted direct assignment into permanent vacancies for the duration of their surplus notice period, but not for further temporary assignments.
- 27.10.10 Ministries are encouraged to use temporary assignments of less than nine (9) months in duration for surplus employees either for retraining purposes or to extend employment when targeted direct assignment to a permanent vacancy or to a temporary assignment of greater than nine (9) months in duration is not possible.

27.11 **Laid Off AMAPCEO Unit Employees**

- 27.11.1 A laid off employee (excluding those who have forfeited their rights by refusing a targeted direct assignment pursuant to Article 27.8.8) shall have recall rights in accordance with seniority for a period of twenty-four (24) months from the date of layoff.
- 27.11.2 A laid off employee is entitled to identify vacant positions for targeted direct assignment in the same manner as set out in Article 27.8, and the same rules, criteria and procedures as set out in Article 27.8 will apply.
- 27.11.3 Where a person who has been laid off is directly assigned to a vacancy under this Article, the employee will be reappointed at his or her former salary.
- 27.11.4 Employees who are laid off and subject to recall shall keep the Employer informed of any change of address and/or telephone number. Such changes must be sent to the designated Human Resources contact.
- 27.11.5 Where an employee who has been laid off is assigned to a position under this Article, the Employer shall serve written notice of such assignment to the last address filed with the Employer. Written notice shall be sent by certified mail or another means whereby receipt of such notice is confirmed by the deliverer.
- 27.11.6 Laid-off employees assigned under this Article must accept the notice of recall and report for duty within the time limits stipulated below:
- (a) the employee must accept the recall, in writing to the Employer representative specified in the notice within seven (7) days of receipt of the written notice;

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

- (b) an employee accepting recall shall report for duty within two (2) weeks of receipt of the recall or on such later date specified in the notice, unless another date is mutually agreed upon.

27.11.7 An employee shall lose rights to recall pursuant to this Article upon the earlier of:

- (a) the date upon which the employee fails to report for duty having accepted an assignment in accordance with this Article; or,
- (b) the date upon which the employee does not accept an assignment in accordance with Article 27.8.; or,
- (c) the date upon which the employee is successful in being appointed to an advertised permanent position within the OPS; or,
- (d) twenty-four (24) months from the date of lay off.

27.11.8 Employees accepting assignment under this Article are not entitled to relocation expenses.

27.11.9 Laid-off employees are entitled to apply to restricted competitions within the OPS for twenty-four (24) months from the date of layoff.

27.11.10 The Employer shall provide recall employees with the same notifications and access to information referred to in Article 27.6.3.

27.11.11 Where an employee on recall is assigned to a permanent position, the employee's continuous service date, for all purposes except severance, shall be deemed to include both service before the effective date on which the employee went on recall and the accumulation of service after the date of assignment. The new continuous service date for severance purposes shall be the date on which the employee recommences work.

27.12 **Determination of an Employee's Ministry for Purposes of this Article**

27.12.1 The following provisions shall be used to modify the identification of an employee's ministry for all purposes under this Article:

- (a) Where the human resource services for a ministry/agency are provided by another ministry, surplus AMAPCEO unit employees in this first ministry/agency will be treated as if they were employees of both ministries for the application of all bumping and targeted direct assignment rights.
- (b) Where there is an integration of functions, responsibilities or positions across ministries that results in employees' positions being declared surplus, all employees affected by any such change shall be treated as if

they were all in the same work unit for purposes of Article 27.5.1.

27.13 **Determination of an Employee's Level for Purposes of Targeted Direct Assignment**

Where an employee has been acting away from his or her home position for two (2) years or more, parameters for targeted direct assignment purposes only (not for bumping or pay-in-lieu options) shall be based on the level of the current acting position, unless that level is lower than the employee's home position.

27.14 **Labour Adjustment & Training**

27.14.1 Group sessions and written material will be offered to AMAPCEO unit employees about their job security entitlements, including how to complete an Employee Form, information on severance, pension entitlement and employment insurance. More detailed information shall be given, as early as possible, to employees to be declared surplus.

27.14.2 In accordance with the Employer's current practice, employees will be provided with psychological, financial, and retirement counselling, on an as-needed basis.

27.14.3 In accordance with the Employer's current practice, employees available for targeted direct assignment will be provided with skills assessment, development of a transition plan, and job search support.

27.14.4 Surplus employees available for targeted direct assignment are also eligible for training/ retraining. The need for training and retraining will vary among surplus employees and will be determined jointly by the employee and the Employer and shall address:

- (a) career planning, résumé writing, interview skills, job search techniques; and
- (b) skills deficiencies identified in the Employee Form, and/or improvements needed to increase the likelihood of a targeted direct assignment; or
- (c) skills development to enhance employability.

27.14.5 Where a surplus employee available for targeted direct assignment is an aboriginal person or a person with disabilities and requires a longer training period, their notice period shall be extended until the completion of their training plan.

27.14.6 The training plan shall be established and training shall begin as soon as possible in the employee's notice period. If delays occur, the training plan shall not be reduced, but shall not result in a change to the layoff date.

27.14.7 When a targeted direct assignment takes place, employees shall not be unreasonably denied the opportunity to complete any portion of training already underway.

27.15 **Severance Entitlements**

27.15.1 The severance entitlement of employees pursuant to this Agreement shall consist of the entitlement to severance as provided for in the existing *Public Service of Ontario Act, 2006*, Management Board of Cabinet Compensation Directive, August 20, 2007, sections 60 to 68, which are hereby incorporated by reference into this Article.

27.15.2 Unless otherwise provided for in this Agreement, severance is payable to the employee one pay period following the date of layoff or such later date as is mutually agreed upon.

27.15.3 Where the employee advises the Employer of preferences for payments under this Article to ensure tax-effective treatment, the Employer will comply subject to requirements at law.

27.15.4 An employee shall not receive payments both under Article 27.15.1 and under Article 38, arising from the same event.

27.16 **Dispute Resolution**

27.16.1 Disputes arising out of the application, interpretation and administration of Article 27 will be resolved pursuant to the procedure set out below.

27.16.2 Any complaint concerning Article 27 may be referred by either party to the Article 27 Committee composed of a minimum of three (3) representatives of each party, and a maximum of five (5). The complaint shall be referred within sixty (60) days after the circumstances giving rise to the complaint have occurred, or have come or ought reasonably to have come to the attention of the employee(s), in the case of individual or group disputes, or the Association, in the case of an Association dispute, or the Employer in the case of an Employer dispute. The Committee shall have Employer and Association co-chairs. Each party shall have one (1) vote on the Committee. Any complaint shall be in writing and shall be delivered to the Employer Co-Chair in the case of an AMAPCEO complaint, and the AMAPCEO Co-chair in the case of an Employer complaint. The committee shall meet as often as necessary to attempt to resolve complaints equitably and expeditiously. The Article 27 Committee will be a subcommittee of ACERC.

27.16.3 The bargaining unit members of the Committee shall be entitled to time off with pay and no loss of credits for meeting time and reasonable preparation and travel time for the work of the Committee and mediation/arbitration. Such time off will not be unreasonably denied as long as proper notice is given.

27.16.4 If the Committee is unable to resolve any matter within five (5) working days of the delivery to the Co-chair, or earlier by mutual agreement, either party may refer the matter to arbitration in accordance with Article 15.4 and Article 15.11. More than one (1) matter at a time may be referred to arbitration.

27.16.5 If AMAPCEO makes a written request with respect to a specific position, the Employer will provide the Committee with an explanation of:

- (a) the Employer's decision that the employee did not meet the entry level qualifications to be assigned to a specific position in accordance with Article 27.8; or
- (b) the Employer's decision that an employee was not qualified to bump into a specific position in accordance with Article 27.9.

27.17 **Application of Job Security Provisions to Regular Part time Employees**

27.17.1 The job security provisions in this Agreement shall apply to regular part-time employees with the following modifications:

- (a) In Article 27.8, when identifying the vacancies into which the surplus regular part time employee could be assigned, the Employer shall use the same criteria for identifying possible vacancies as are used for full-time employees.
- (b) In Article 27.9, when identifying the bumping option for the surplus regular part-time employee, the Employer shall look for regular part-time positions within the ordering rules.
- (c) A regular part-time employee who refuses a targeted direct assignment to an AMAPCEO unit regular part-time permanent position shall forfeit all further rights under Article 27.8, 27.10, 27.11 (with the exception of the right to apply to restricted competitions for a twenty-four month period) and Article 27.14.3 and 27.14.4 and shall either be laid off at the end of the notice period or take a pay-in-lieu option for the remainder of the notice period under Article 27.7. However, a regular part-time employee who refuses a targeted direct assignment to an AMAPCEO unit full-time permanent position shall not forfeit any rights under the job security provisions of this Agreement.

27.18 **Rights on Disposition or Transfer of Bargaining Unit Functions or Jobs**

27.18.1 Sale of a Business

27.18.1.1 The parties agree that if there is a “sale of a business” as defined in the Labour Relations Act, 1995, section 69, this determination will trigger the application of this article.

Where there is a sale of a business, it is agreed that:

- (a) Article 27.18.2 (Reasonable Efforts) will not apply;
- (b) The obligations of the Employer to employees within the AMAPCEO bargaining unit who are affected by the sale shall be modified as set out in Article 27.18.1.2; and
- (c) The Employer shall indicate this in the request for proposal or the transfer agreement, whichever is applicable, and provide a copy of such document to the Association in a timely manner.

27.18.1.2 Obligations of the Employer to Employees Affected by the Sale

Where a transaction is a sale of a business, the parties agree that the Employer shall have the following obligations to employees within the AMAPCEO bargaining unit affected by the sale:

- (a) The employment of employees who are transferred to the successor employer is not terminated or severed and the service and seniority of such employees shall be carried over to the successor employer. The Employer shall not be liable to any employees who are transferred to the successor employer for any payment of termination or severance pay, or any other entitlements or obligations under the Collective Agreement between the Employer and the Association.
- (b) Affected employees who do not receive a job offer or who refuse a job offer from the successor employer will be surplus as a result of the sale subject to the terms of the Collective Agreement between the Employer and the Association and shall have all the rights of surplus employees.
- (c) Affected employees who refuse a job offer and accept employment with a successor employer within twelve (12) months of the date of transfer of employees will repay to the Crown any and all payments received under 27.18.1.2(b).
- (d) Where job offers are obtained any affected employee shall have a period of ten (10) working days to accept or reject an offer of employment. An

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

employee who does not respond within the ten (10) working days will have been deemed to reject the job offer. All job offers will prominently display the requirement to respond within ten (10) working days.

- (e) The Employer will provide advance notice as per the provisions of the Collective Agreement of the date of the sale to affected employees and the Association.

27.18.1.3 Dispute Resolution

Nothing in this agreement limits any rights that the Association may have to make an application to the Ontario Labour Relations Board with respect to a sale of a business under s. 69 of the Labour Relations Act, 1995, and to the GSB for matters that fall under the Collective Agreement.

27.18.1.4 Treatment of the Public Service Act and the Public Service of Ontario Act References in the Collective Agreement

The parties agree that, although the Public Service of Ontario Act will no longer apply to employees following a transfer to a successor employer, all entitlements under the Public Service of Ontario Act or the applicable provisions of the Management Board of Cabinet Compensation Directive specifically referenced in the Collective Agreement will continue to apply. This understanding shall be communicated in writing to any successor employer.

27.18.2 Reasonable Efforts

Where the Employer takes the position that the disposition or transfer of bargaining unit functions or jobs is not a sale of a business, the following provisions shall apply:

- 27.18.2.1 The employer will make reasonable efforts to ensure that, where there is a disposition or any other transfer of bargaining unit functions or jobs to the private or broader public sector, employees in the bargaining unit are offered positions with the new employer on terms and conditions that are as close as possible to the then existing terms and conditions of employment of the employees in the bargaining unit, and, where less than the full complement of employees is offered positions, to ensure that offers are made on the basis of seniority.

- 27.18.2.2 Employees who accept an offer with a new employer to whom there has been a disposition or any other transfer of bargaining unit functions or jobs shall have no rights under the Agreement. However, if the employee's service and seniority are not carried over to the new employer, the employee shall have the right to severance under Article 27.15 of the Agreement.

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

- 27.18.2.3 Employees who are made an offer pursuant to this Article but do not accept the offer, or who are not made an offer, shall have all their rights under the Agreement.
- 27.18.2.4 Where an operation or part thereof is being disposed of, and the Employer has determined that an opportunity for tendering or bidding is warranted, employees shall be given the opportunity to submit a tender or bid on the same basis as others.
- 27.18.2.5 The obligations of the employer concerning reasonable efforts and employee bidding set out in Articles 27.18.2.1 to 27.18.2.4 inclusive shall be deemed to have been satisfied provided that:
1. In respect of the transfers of bargaining unit jobs or functions as a result of transfers due to tendering or a Request for Proposal (RFP) the Employer shall include in all RFPs or tenders relating to those transfers a mandatory requirement that proponents must commit in their proposals to make job offers to all of the regular AMAPCEO employees the employer determines will be declared surplus as a direct result of the disposition or transfer of their jobs under the RFP or tender. Such job offers shall be at a salary of at least 85% of the respective employee's salary at the time of the RFP or tender and recognize the service in the Ontario Public Service of each employee for the purposes of qualification for vacation, benefits entitlements and other terms and conditions of employment except for pension to the extent that they are provided in the proponent's workplace. Job offers shall not include any probationary period. Proposals that do not satisfy the above mandatory requirement will be disqualified.
 2. The employer will offer the prospective new employer a financial incentive equal to the amount that would have been payable as enhanced severance pay to a regular employee, in order to secure or improve a job offer for the employee.
 3. The employer shall include in the RFP or tender the statement that employees may bid on the same basis as others.
- 27.18.2.6 The parties agree that an offer made at the point of transfer will not require an employee to accept a loss of his/her common law employment rights with respect to subsequent unilateral changes to terms and conditions of employment made by the new employer.
- 27.18.2.7 The employer will continue to direct ministries to review criteria included in tenders for the purpose of minimizing unnecessary barriers to employee bidding.
- 27.18.2.8 Where job offers are obtained any affected employee shall have a period of ten (10) working days to accept or reject an offer of employment. An employee who does not respond within the ten (10) working days will have been deemed to reject the job offer. All job offers will prominently display the requirement to respond within

ten (10) working days.

27.18.2.9 The employer commits to having "reasonable efforts" discussions with AMAPCEO from the time a decision to approve a disposition or transfer is made as a standing item on the agenda of the AMAPCEO Central Employee Relations Committee (ACERC), and to meet on a bi-weekly basis. The agenda items may include but are not limited to: seniority in relation to job offers; effective use of enhanced severance to obtain or improve job offers; discussion of additional incentives; issues concerning the timing of and information around job offers and surplus notices including the impact on employees who have a role in implementing transition; suggestions from AMAPCEO regarding training; and tendering practices as they relate to employee bidding. Any disclosure to AMAPCEO under this Article shall be subject to the same confidentiality requirements as apply to disclosure under Article 12.

27.19 **Surplus Factor 80**

27.19.1 An employee who receives a Notice of Lay Off without a vacancy identified for direct assignment under Article 27.6.3 may apply to retire on unreduced pension provided all of the following conditions are met:

- (a) The employee's age plus pension credit totals 80 years on or before employment ceases; and,
- (b) The employee ceases employment upon the date of lay off specified in his or her Notice of Lay Off. All or part of the employee's Termination Payments under Article 38 may be converted to and received as paid leave, in order to extend service beyond the employee's lay off date. In such case the employee must cease employment at the end of the paid leave period; and,

and

because no targeted direct assignment to a permanent position has been found.

The Plan sponsor agrees to take steps to amend the Public Service Pension Plan in an expeditious manner to provide for the extension of the Surplus Factor 80 window for those employees as described herein. This arrangement meets the requirements of the Public Service Pension Plan, including compliance with legislation governing the Public Service Pension Plan.

The Employer confirms that any costs arising out of the extension of the Surplus Factor 80 program to the employees covered by this collective agreement shall be exclusively borne by the Employer. No costs shall accrue to the members as a result of the extension of the Surplus Factor 80 program.

For clarity, any part of a notice period provided under Article 27.6, or any part of a pension bridging option period under Article 27.22 may occur beyond March 31, 2014, without affecting the employees' eligibility.

27.20 Enhanced Severance

27.20.1 In addition to the severance entitlements set out in Article 27.15 of the Agreement, an additional one week of salary for every completed year of continuous service, with no maximum, shall be paid as enhanced severance to all employees declared surplus.

27.20.2 If an employee who is paid enhanced severance pursuant to this section subsequently, as a recall employee, accepts a targeted direct assignment in accordance with Article 27.11, the employee shall be required to repay an amount equal to: the total number of weeks of enhanced severance paid less the number of weeks spent on recall prior to return to work (e.g. an employee who receives twenty (20) weeks enhanced severance and is recalled fifteen (15) weeks after their date of layoff shall repay the equivalent of five (5) weeks of enhanced severance).

Collective Agreement 2018 to 2022 between AMAPCEO and MBC

- (c) a maximum of two (2) years leave of absence without pay, but with continued accrual of pension credits

would bring the employee to the next earliest date on which he or she could exercise an actuarially unreduced pension option under the Public Service Pension Plan. Article 27.21.4 provides details on the pension bridging option.

27.21.2 Surplus employees who choose this option shall waive all rights to bumping, targeted direct assignment, pay-in-lieu and recall.

27.21.3 The Employer agrees to make any necessary changes to the pension plan and/or the *Public Service of Ontario Act, 2006*, Management Board of Cabinet Compensation Directive, August 20, 2007, in as expeditious a manner as is possible.

27.21.4 Details on Pension Bridging Option

27.21.4.1 For any specific individual, the maximum amount of leave that can be taken for the pension bridging option shall be calculated as follows:

- (a) determine the total amount of time from the date on which the employee receives the surplus notice that is needed for the individual to reach the next earliest of his or her actuarially unreduced pension options and, from that amount, subtract:
 - i) the employee's six-month notice period; and
 - ii) the number of weeks of paid leave of absence that the employee's legislated severance can be converted into under the existing provisions of the *Public Service of Ontario Act, 2006*, Management Board of Cabinet Compensation Directive, August 20, 2007, section 68.
- (b) the remainder, to the extent that it is no more than two (2) years, shall be available as a leave of absence without pay but with continued accrual of pension credits. During the leave without pay, employees may choose to purchase all benefit coverage with the exception of STSP and LTIP.

27.21.4.2 The leaves of absence shall commence before the conclusion of the employee's six-month notice period and shall be taken as follows:

- (a) the unpaid leave of absence, the maximum length of which is determined in accordance with Article 27.21.4.1(b) above, shall be taken first. During this leave of absence, in lieu of the employee's pension contributions being made directly by the employee, the employee's right to enhanced severance under Article 27.20 shall be reduced by an equivalent amount, which the Employer shall pay into the pension plan and the Employer contributions shall also be paid into the pension plan;
- (b) the leave of absence with pay equal to the employee's number of weeks of legislated severance shall be taken after the leave without pay in Article 27.21.4.2 (a). During this leave of absence the employee's pension contributions shall be deducted from the employee's biweekly payments;
- (c) at the conclusion of the leave of absence with pay the employee shall return to complete whatever portion of the six-month notice period remains. At the end of this period the employee:

the same referrals.

- 37.11 For the purposes of this Article, the service requirement in Article 37.2 shall not include vacation leave of absence or any leaves without pay, but days worked before and after such leaves shall be considered consecutive. 2.3 The employee agrees to exercise flexibility when operational needs arise. With reasonable notice, the hours of work will be adjusted when required to attend meetings and to otherwise meet operational needs.

2.4 If a “CWW day-off” is rescheduled, the rescheduled “CWW day-off” will be mutually agreed-upon within that or the following CWW cycle. Failing agreement the manager shall assign the day off.

**TRANSITION EXIT INITIATIVE
MEMORANDUM OF AGREEMENT**
Between
**ASSOCIATION OF MANAGEMENT, ADMINISTRATIVE AND PROFESSIONAL
CROWN EMPLOYEES OF ONTARIO**
(“the Association”)
and
**THE CROWN IN RIGHT OF ONTARIO as represented by the
Treasury Board Secretariat**
(“the Employer”)

The parties have agreed to work collaboratively to support the transformation of the Ontario Public Service while minimizing the impact to employees. Accordingly, the parties have agreed to establish a Transition Exit Initiative (TEI) as follows:

1. All regular and regular part-time employees will be eligible to apply to a Transition Exit Initiative (TEI).
2. An employee may request in writing voluntary exit from employment with the OPS under the TEI, which request may be approved by the Employer in its sole discretion. The Employee’s request will be submitted to the Corporate Employer. The Employer’s approval shall be based on the following considerations:
 - i. At the time that an employee TEI request is being considered, the Employer has plans to reduce positions in the AMAPCEO bargaining unit; and
 - ii. The Employer has determined in its discretion that the employee’s exit from employment supports the transformation of the Ontario Public Service.

The Employer shall provide written confirmation of receipt of the employee’s request within 30 days with a copy to the Association. If the employee’s request is approved, the Employer shall provide written notification to the employee with a copy to the Association. An employee may withdraw his/her request by written notice to the Corporate Employer.

3. If there is more than one employee eligible to exit under the TEI, the determination of who will exit under the TEI shall be based on seniority.
4. An employee who has received notice of Employer approval to exit under the TEI shall be deemed to have accepted one of the options as outlined in Paragraph 5.
5. An employee who exits from employment under the TEI will only be entitled to the following:
 - i. A lump sum of six (6) months’ pay, plus one (1) week pay per year of continuous service; or

- ii. Continuance of salary plus benefits (except STSP and LTIP) for six (6) months commencing on the date set out in Paragraph 6, plus one (1) week pay per year of continuous service or its equivalent period of further salary continuance plus benefits (except STSP and LTIP). For clarity, during the salary continuance period, employee and Employer pension contributions and vacation and pension credits will continue to accrue. Notwithstanding the above, the further salary continuance period shall not be greater than the length of time between the commencement of the salary continuance and the end of the month in which the employee will attain sixty-five (65) years of age. Any remaining balance will be paid forewith to the employee as a lump-sum.
 - iii. Where the employee does not choose a specific pay-in-lieu option, the employee shall be deemed to have chosen the lump sum option under 5(i).
6. In the event that an employee who exits the OPS under the TEI is reappointed to a position in the Ontario Public Service within 24 months, the employee will repay to the Minister of Finance the six month lump sum paid out under paragraph 5 above.
7. Where an employee is exiting under the TEI, his or her last day at work shall be five (5) working days after the notice of Employer approval to exit is received, or such other period as the employee and the Employer shall agree.
8. The payment under Paragraph 5 and any payout of unused vacation or compensating leave credits are payable as soon as possible, but not later than three (3) pay periods following the employee's exit under the TEI.
9. Employees exiting under the TEI shall have the entitlements in Paragraph 5 in lieu of the entitlements in Article 27.15 (Severance Entitlements), 27.20 (Enhanced Severance), and Article 38 (Termination Payments) of the Collective Agreement.
10. The parties agree that all employees exiting under the TEI are doing so pursuant to a program of downsizing undertaken by the Employer and in so doing are preventing another employee from being laid off. Accordingly the Employer agrees to take all necessary steps to attempt to ensure that the Employment Insurance Commission recognizes that the entitlement to Employment Insurance of employees who are laid off and who take a pay-in-lieu of notice option qualifies as registered 'workforce reduction processes' under the Employment Insurance Act.
11. The parties agree that at no time will the number of employees exiting under the TEI exceed the number of positions identified by the Employer to be reduced in the bargaining unit, without the agreement of the parties.
12. This MOA forms part of the collective agreement.
13. This Memorandum expires upon the expiry of the Collective Agreement.
