THE ASSOCIATION OF
MANAGEMENT, ADMINISTRATIVE AND
PROFESSIONAL CROWN EMPLOYEES
OF ONTARIO

January 30, 2015.

Linda Haslam-Stroud, R.N.
President
Ontario Nurses' Association (ONA)

RE: CCAC Home Care Worker Strike

Dear Ms. Haslam-Stroud,

I am writing on behalf of the 12,000 members of AMAPCEO to extend our solidarity to ONA and to your members at Community Care Access Centres who are currently on strike. AMAPCEO (the Association of Management, Administrative and Professional Crown Employees of Ontario) represents public servants who work directly for the Ontario government and in the broader public sector.

AMAPCEO knows all too well that the current climate of labour relations in this province lacks fairness towards public sector workers who deliver the vital front line services and care that the residents of Ontario value so much. AMAPCEO supports your members' actions to defend good public services and to protect and improve their working conditions.

We applaud your efforts to seek a fair contract and to send a clear signal to the government about the importance of homecare workers to patients and their families. Like millions of Ontarians, AMAPCEO members rely on the quality care offered through the Community Care Access Centres in North East, North West, Central East, Central, North Simcoe Muskoka, Waterloo Wellington, South East, South West and Erie St. Clair.

On behalf of AMAPCEO, I offer the Association's support in your mobilization efforts. Please let me know if there is anything I can do to assist you and the members of ONA in achieving a fair deal.

In solidarity,

Dave Bulmer, President
