RE: Solidarity Resolution for Local 9176 Strike

Dear Mr. Hay,

I am writing on behalf of the 12,000 members of AMAPCEO to express our support and solidarity with your striking members at Local 9176, to achieve a fair collective agreement.

AMAPCEO represents more than 12,000 public sector professionals who work directly for the government, as well as in 7 agencies across the province. Our members include policy analysts, pharmacists, economists and veterinarians. As fellow Ontarians, and as trade unionists, we support your members in their fight for good, middle class jobs and to have fair pay and good working conditions.

At our recent Board of Directors meeting, our Board unanimously adopted a resolution in support of local 9176 members. This was subsequently endorsed by our Provincial Council. In addition to offering our solidarity to you, we will be communicating to our members about the ongoing campaign to purchase bottled beer. I have also written to our hotel of record, the Sheraton Centre Toronto, asking them to discontinue serving canned beer until the strike is resolved.

Finally, the Board approved a token contribution of \$1000 to be made on behalf of our members to your strike fund. An additional \$615 was raised via a "pass the hat" of our Board and Council members. A cheque in the amount of \$1615 is enclosed.

In solidarity,

Dave Bulmer
President
