RE: Solidarity with OSSTF District 13 Teachers

Dear Brother Elliott:

I am writing on behalf of AMAPCEO (the Association of Management, Administrative and Professional Crown Employees of Ontario) and our 12,000 members to extend our solidarity to your striking members in OSSTF District 13.

Your members' actions make for an important stance in defence of the ever growing cuts within the education system, and the broader attacks on public servants across the province.

AMAPCEO represents public servants who work directly for the Ontario government and within the broader public sector. Having bargained with our central Employer - the government - as recently as 9 months ago, we know too well the unfairness of the current climate of labour relations in this province. We have also seen how this government, like public sector employers across the country, continues to pursue a privatization agenda and increasingly relies on precarious workers to deliver public services.

Our members, like yours, have faced years of direct attacks on our terms and conditions of employment, from wages, to benefits and job security, as well as attacks on the important public services that we provide.

AMAPCEO supports your members' actions - in fighting for fair wages and working conditions - and in defending the quality of the public education system in Ontario.

On behalf of our members, I offer the Association's support in your mobilization efforts. Please let me know if there is anything we can do to assist you and OSSTF members across the province.

In solidarity,

Dave Bulmer
President
