The Board of Directors provides annual mandates for all its standing and ad hoc Committees. It's the Board's desire that the Equity Committee focus its time on the following items. Should the group care to pursue any other interests, the Board would ask that they be conveyed via Committee Chair Cynthia Watt or Liaison Frank Tang.

1. The Committee will continue to recommend actions to the Board on equity issues to ensure AMAPCEO remains an exemplary organization in this manner.
2. The Committee will continue to provide advice to the Board on responses to Government / Employer initiatives and policies related to equity.
3. The Committee will assist with the Association's participation in equity events – such as but not limited to Pride, Black OPS'ers and International Women's Day. Members of caucuses may also be considered as formal representatives of the Association at equity events sponsored by other organizations.
4. The Committee will oversee the activities of the Equity Caucuses and act as a conduit between the Caucuses and the Board of Directors. And, the Committee may be asked to take part in a livelihood review of the Caucuses. Likewise, the Committee may be consulted on how best to integrate groups like Young Workers, Fixed-Term Workers or the Retiree Caucus.
5. The Committee will review the Equity Statement with any recommendations for refresh coming to the Board of Directors for consideration.

On behalf of the Board of Directors, I thank you for your time and commitment. Should you require further assistance, please don't hesitate to connect with Staff Resources Jennifer Sherwood and Samara Carroll, and/or Committee Chair Cynthia Watt or Liaison Frank Tang.

Dave Bulmer, President/CEO
