Why provide a listing of diversity dates?

It is our hope that AMAPCEO activist and members will use this listing and the designated dates to bring awareness about diversity issues into the workplace. Activists and Information Coordinators are encouraged to organize awareness events at work around these diversity dates. Organizing a lunch and learn, an event, or posting information on the bulletin board is just one of many ways that members can directly participate and turn AMAPCEO's commitment to diversity into action.
