# Health, Safety and Wellness Committee

### **Mandate for 2017**

The Health, Safety and Wellness Committee is governed by the AMAPCEO Board of Directors, which is responsible for appointing the committee's membership.

The mandate of the committee is to assist the Board and the members of the Joint Health and Safety Committee (JHSC), along with all AMAPCEO committees to:

- Promote an environment of health, safety and wellness for all AMAPCEO members and their families, both within and outside the workplace;
- Support AMAPCEO, JHSCs and Joint AMAPCEO Health and Safety Representatives in achieving healthy and safe workplaces and reducing workplace hazards to the lowest level possible;
- Educate all AMAPCEO members in new health, safety and wellness issues, policies, resources, opportunities and legislation; and
- Assist the Board, Joint Health and Safety Representatives and Committees in providing a co-operative problem-solving framework that includes all stakeholders in the development of solutions to health, safety and wellness concerns in every workplace.

The committee emphasizes a strategic approach to issues and seeks pragmatic, workable solutions to problems, recognizing that everyone has an interest in healthy and safe workplaces.
