If requested, the Hospital agrees to meet with the Association to permit it to make representations with respect to the appropriate rate of pay providing any such meeting shall not delay the implementation of the new classification. Where the Association challenges the rate established by the Hospital and the matter is not resolved following any meeting with the Association, a grievance may be filed at Step No. 2 of the Dispute Resolution Procedure within seven (7) calendar days following any meeting. If the matter is not resolved in the Dispute Resolution Procedure, it may be referred to Arbitration in accordance with Article 15, it being understood that any Arbitrator shall be limited to establishing an appropriate rate.

Any change in the rate established by the Hospital either through meetings with the Association or by an Arbitrator shall be made retroactive to the time at which the new or changed classification was first filled.

Each employee shall have reasonable access to their employee file for the purpose of reviewing the contents in the presence of their supervisor or designate. A request by an employee for a copy of documents in their file will not be unreasonably denied.

In the case of unpaid approved leaves of absence in excess of thirty (30) continuous calendar days an employee may arrange with the Hospital to prepay the full premium of any applicable subsidized benefits during the period of leave in excess of thirty (30) continuous calendar days to ensure continuing coverage. For clarity, the periods of service immediately before and after such absence shall be considered continuous and shall be included in determining seniority and continuous service. Notwithstanding the above, the period of leave shall be included for the purposes of determining the rate of vacation credit accrual.

23.1.3 Notwithstanding this provision, seniority and service will accrue and the Hospital will continue to pay the premiums for benefit plans for employees for a period of up to seventeen (17) weeks while a employee is on pregnancy leave under Article 24 and for a period of up to thirty-five (35) weeks while a employee is on parental leave under Article 24. NOTE 2: This clause shall be interpreted in a manner consistent with the *Ontario Human Rights Code* and the *Employment Standards Act*.

23.3 **Personal Leave**

23.3.1 Written requests for a personal leave of absence without pay will be considered on an individual basis by the manager. Such requests are to be given as far in advance as possible and a written reply will be given within ten (10) days; except in cases of emergency in which case a reply will be given as soon as possible. Such leaves,

In addition to the foregoing, where an employee is required by subpoena to attend a Court of Law or Coroner's Inquest in connection with a case arising from the employee's duties at the Hospital, on their regularly scheduled day off or during their regularly scheduled vacation, the Hospital will attempt to reschedule the employee's regular day off or vacation period, it being understood that any rescheduling shall not result in the payment of any premium pay. If the Hospital fails to reschedule such employees, the Hospital shall arrange lieu time off work for all days the employees would otherwise be off work had it not been for the attendance at Court or the Coroner's Inquest.

23.7.3 Professional College Hearing

Where an employee is required by subpoena or as a witness to attend a Professional College hearing, with proof of attendance provided to the Hospital, as requested, in connection with a case arising from the employee's duties at the Hospital, on their regularly scheduled day off or during their regularly scheduled vacation, the Hospital will attempt to reschedule the employee's regular day off or vacation period, it being understood that any rescheduling shall not result in the payment of

any premium pay.

- (e) During the four (4) years of salary deferral, 20% of the employee's gross annual earnings will be deducted and held for the employee and will not be accessible to them until the year of the leave or upon withdrawal from the plan.
- (f) The manner in which the deferred salary is held shall be at the discretion of the Hospital.

36.1 The Employer shall pay eighty-five percent (85%) of the monthly premium costs for every full time employee who is eligible for coverage subject to Article 36.5.2 and the employee shall pay the balance of the premium costs through payroll deduction.

36.2 Effective December 31, 1993 and annually thereafter, the total monthly payment of LTIP under the Plan shall be increased by up to 2% based on the average annual increase in the Ontario Consumer Price Index (CPI) as published by Statistics Canada each January.

36.4 Where the Employer is paying all or part of the premiums for an employee who participates in one or more of the Benefit Plans and the employee is approved for benefits under the Long-term Income Protection Plan, the employee's coverage under the Plans shall continue at the Employer's cost in respect of the time for which the employee is receiving or is qualified to receive LTIP benefits. 36.5.1 The LTIP benefits commence after a qualification period of six (6) months from the date the employee becomes totally disabled, unless the employee elects to continue to use accumulated attendance credits on a day-to-day basis after the six (6) month period.

36.5.2 The LTIP coverage will terminate on the earliest of the following:

36.7 The Employer shall not permanently fill the position of an employee during the qualifying period and the first twenty-four (24) months of the benefit period.

36.8 Where, during the benefit period, the employee is able to perform the essential duties of his or her position and the position has not been declared surplus, he or she shall resume work, as directed by the Employer, within two weeks of the date that LTIP benefits cease. Where, for accommodation reasons, an employee cannot be returned to his or her position within the two week period, the Employer shall grant a leave of absence with pay pending the completion of the accommodation requirements, but in no event shall the leave of absence with pay exceed three months. The employee shall return to work, when accommodations are completed, on the date specified by the Employer. In order to be eligible for leave of absence with pay, the employee shall co-operate with the Employer regarding the return-to-work arrangements.

36.9.1 When an employee who has been receiving or was eligible to receive LTIP benefits is deemed able to perform the essential duties of his or her position but the position is no longer available due to the application of Article 36.7, the employee shall have all rights and entitlements under Article 27. The employee will be eligible for one temporary assignment only. If the employee refuses the offer of a temporary assignment, no further temporary opportunities will be sought for him or her.

36.9.2 The temporary assignment can be extended at the Employer's discretion except as limited by Article 18.7.2. Time spent on the temporary assignment does not

constitute a hiatus in the employee's notice period. Therefore, should no direct assignment be found for the employee, his or her employment ends at the termination of either the notice period or the temporary assignment, whichever is later. The employee will receive salary protection, if applicable, only during the three (3) month notice period.

37.7.2 An employee who is absent from employment due to sickness or injury beyond the total number of days leave of absence with pay provided for in Article 37.1 shall have his or her accumulated attendance credits reduced by a number of days equal to the number of days of such absence and is entitled to leave of absence with pay on each such day.

37.7.3 Article 37.7.2 does not apply to an employee who qualifies for and elects to receive benefits under the Long Term Income Protection Plan instead of using his or her accumulated attendance credits.

37.8 After seven (7) consecutive calendar days absence caused by sickness or injury, no leave with pay shall be allowed unless a certificate of a legally qualified medical practitioner is forwarded to the employee's manager or designee, certifying that the employee is unable to attend to official duties.

37.9 Despite Article 37.8, where the Employer has reason to suspect that there may be an abuse of sick leave, the Manager may require an employee to submit a medical certificate, at the Employer's expense, for any period of absence.

37.10 Where, for reasons of health, an employee is frequently absent or unable to perform his or her duties, the Employer may require him or her to submit to a medical examination at the expense of the Employer. The employee and Employer shall attempt to come to agreement on a qualified medical practitioner to perform the examination. When agreement is not reached, the employee may choose a qualified medical practitioner from the referral service of the College of Physicians and Surgeons. If the employee fails to make such a choice within one (1) week of receiving referrals, the Employer may choose a qualified medical practitioner from the same referrals.

37.11 For the purposes of this Article, the service requirement in Article 37.2 shall not include vacation leave of absence or any leaves without pay, but days worked before and after such leaves shall be considered consecutive. However, days worked

before and after any leave of absence with or without pay due to an employee's illness or injury are not considered to be consecutive. Leaves with pay (other than for vacation, education, illness or injury) and statutory holidays are included in the determination of such service.
