# AMAPCEO BY-LAW 1: ELECTIONS PROCESS

*Last revised December 1, 2023*

---

## **A. Purpose**

1. The purpose of this by-law is to consolidate election rules for Executive Officers, Board Directors, Delegates, Alternate Delegates, and members of ADC committees.
2. This by-law is enacted under the authority of, and should be read in conjunction with all relevant articles of the AMAPCEO Constitution.

## **B. Elections and Credentials Committee**

3. The Elections and Credentials Committee (hereafter known as the Committee) shall consist of five AMAPCEO members elected by the Delegates. The term of office of members of the Committee shall be two (2) years with terms staggered (approximately half annually) and with elections occurring within AMAPCEO's Fall elections cycle.

3.1 Vacancies on the Committee that occur during the term may be filled by the Delegates, by electronic ballot, in which case the term of office of someone elected to fill a vacancy shall be for the remainder of the original term of the vacant position, effective from the date of election.

4. The Committee shall elect one of its members to be Chair, who shall thereafter function as the Chief Returning Officer for all elections, as specified in Article 50.4 of the Constitution.

- 4.1 The Committee may also elect one of its members as its Vice Chair, who shall thereafter act as Deputy Returning Officer for all elections.
5. The Elections and Credentials Committee shall supervise elections and by-elections for the following positions: Executive Officers; Directors; members of the Audit Committee, Elections and Credentials Committee, Resolutions Committee, Delegates and Alternate Delegates.
6. As stipulated in Article 50.4 of the Constitution, members of the Committee and the Board of Directors may not serve concurrently on both bodies.
- 6.1 Members of the Committee who intend to stand for election to a position on the Board of Directors must submit their resignation from the Committee in writing to the Secretary no later than September 1 of each year.
- 6.2 Members of the Committee who intend to stand for election to an in-year vacancy on the Board of Directors must submit their resignation in writing to the Secretary before a formal call for nominations occurs.
- C. Elections Process Oversight**
7. The Committee shall be assisted by AMAPCEO staff who may be authorized by the Committee to conduct appropriate administrative tasks associated with nomination and election processes.
8. The Committee shall be responsible for approving all nomination forms and ballots in use, for ensuring appropriate security for ballots at all times, and for sharing voting outcomes with the delegates or general membership as applicable.
9. The Committee may make such additional rules for the conduct of elections as are deemed appropriate, provided such rules are consistent with this by-law, and are

disclosed to potential candidates and voters (the Delegates or members-at-large as applicable) before being implemented.

10. The right to be nominated for District or Community office and/or to vote in District or Community elections, stems from the member's home position in the AMAPCEO bargaining unit.

10.1 Members in good standing who hold acting assignments or secondments outside their home position remain registered as members of the District or Community that corresponds to their home position.

11. For any election or by-election falling within the jurisdiction of the Elections and Credentials Committee, all candidates and other members in good standing will be governed by the following campaign rules:

11.1 No candidate or any other member in good standing may use employer or AMAPCEO resources (e.g., funds, supplies, equipment, services, membership lists, staff, or facilities) to communicate with voters for purposes of campaigning, except as provided in this by-law.

11.2 No candidate or any other member in good standing may campaign for office on a workday and during normal working hours.

11.3 All candidates are obliged to observe the applicable Activist Codes of Conduct and Equity Statements with regard to member behaviour, including statements made in written or other campaign material.

11.4 All candidates for election at the ADC may circulate campaign material up until the start of business on the day of the vote.

11.4.1 On the day of the vote, no campaign material may be distributed within any ADC meeting room.

11.4.2 All campaign material must be Code of Conduct compliant.

12. If, at the close of nominations for any election under the supervision of the Committee, the number of nominations received is fewer than or equal to the number of open positions to be filled by election, the individual or individuals nominated for the position (provided they meet the eligibility requirements to be a candidate) shall be declared elected by acclamation.
13. The Committee shall oversee the regular updating of a “Members’ Guide to AMAPCEO Elections” to assist members and candidates in understanding the nomination and election process. The Guide should also include relevant information about election rules; specify how members can communicate with the Committee; and indicate clearly that the Committee will use its best efforts to make accommodation available for voters or candidates who self-identify to the Chief Returning Officer.

**D. Election of Delegates and Alternate Delegates**

14. By March 15 of each year, the Secretary (with the support of a staff designee) shall advise each District Executive of the number of members in good standing registered in the District as of March 1 for the purpose of calculating the number of Delegates to which the District (and any Communities within the District) are entitled in the election for that year.
15. The Committee shall post a call for nominations to fill open Delegate positions on the first working day following April 1. Only those positions vacant as of April 1 will be contested. The nomination period shall remain open until the last working day

in April, with the specific time for the receipt of nominations on that day to be established by the Committee.

- 15.1 If there are more candidates nominated than there are open Delegate positions, the Committee shall cause to have distributed an electronic ballot to all eligible voters in the District (or Community) during the first two (2) weeks of May, specifying a voting deadline no earlier than five working days after the ballots are sent to voters.
16. The two-year (2-year) terms of Delegates shall be staggered so that approximately one-half expire each year. Further, approximately one-half (1/2) of each District's/Community's Delegates shall expire each year.
17. Vacancies in Delegate positions are either temporary or permanent. A temporary vacancy is one in which there is an incumbent who was elected to the position, but who is temporarily unable to fulfill the responsibilities of the position (including attending a Delegates' Conference). A permanent vacancy is one in which either no one was elected to the position, or the incumbent has resigned or is no longer eligible to hold the position.
  - 17.1 An Alternate Delegate may be appointed by majority vote of the District Executive Committee to fill either a temporary or a permanent Delegate vacancy if the vacancy exists at least four weeks in advance of a Delegates' Conference. In such an event, the District Executive must seek nominations from the membership, and conduct a meeting/vote inclusive of quorum (50% of seated Delegates) before making an appointment.
  - 17.2 The Committee may specify additional procedures and timelines to govern the appointment of Alternate Delegates.

- 17.3 The Alternate Delegate so appointed shall have the same rights and obligations of a Delegate, but will serve a term of office that extends only to the Conference immediately following their appointment.
18. A permanent vacancy in a Delegate's position that exists before the close of nominations (i.e., the last working day in April) will be included in the list of open Delegate positions to be filled during the next immediate nomination and election cycle, for a two-year (2-year) term.
19. The deadline for appointing any Alternate Delegate shall be four weeks before the start of a Conference.
20. Additional Delegates to which a District may be entitled by virtue of Section 20(c) of the Constitution shall be allocated to Communities within the District by majority vote of the District Executive Committee; and the District Executive shall notify the Elections and Credentials Committee of the allocation in writing by a deadline to be specified by the Committee, to enable the additional position(s) to be included in the call for nominations.
21. The Executive Committee of a District divided into Communities seeking to fill a Delegate vacancy under the provisions of Section 20A of the Constitution may appoint as an Alternate Delegate a member in good standing from another Community in the District, provided a call for an alternate delegate has first occurred and gone without response in the Community with the vacancy.

24. The nomination form for a candidate for President, Vice President, Secretary and Treasurer shall contain the names and contact information of five other members-in-good-standing endorsing the nomination.
  - 24.1 The membership status of candidates and their endorsers shall be verified by the Committee.
  
25. In each election, a separate ballot shall be conducted for each position in the following order: President, Vice-President, Secretary and Treasurer; and the results for shall be announced in priority sequence before conducting the ballot for on the next position.

32. The default voting process in all elections at the Conference shall be electronic. Paper ballots will only be used for contingency purposes.
33. The technology to be used for voting will be provided to Delegates either at the time of registration or at their seats with due regard for security and privacy. Delegates will be asked to cast their votes at their seats, taking such precautions as they may to protect their privacy. The votes will be tallied using the authorized technology under the supervision of the Committee.
34. If paper ballots are used, they will be distributed while Delegates are seated or at the time of registration; and Delegates will be asked to mark their ballots at their seats, taking such precautions as they may to protect their privacy while seated. The ballots will then be collected from Delegates while they remain seated, with each Delegate placing their ballot in the ballot box that will be carried from table to table. The Committee, accompanied by any scrutineers, shall leave the meeting room to count the ballots. ## AMAPCEO BY-LAW 4: MEMBER DISPUTE RESOLUTION

*Last revised December 3, 2021.*

---

### A. **Introduction**

AMAPCEO recognizes that conflict may arise between and among members from time to time. The purpose of this by-law is to establish guidelines and a process for resolving such complaints.

This by-law should be read in tandem with AMAPCEO's Ombudsperson Policy, as well as other by-laws that may apply, such as By-law 9: Activist Code of Conduct and By-law 10: Trial and Discipline.

### B. **Principles**

In accordance with AMAPCEO's Constitution, policies, and by-laws, the AMAPCEO Code of Conduct, and AMAPCEO's principles of equity and inclusion as outlined in AMAPCEO's Equity Statement and Equity Lens, all members and officers are expected to always act with integrity and respect for the human rights of others.

Union solidarity is based on the principle that all union members are equal and deserve mutual respect. Any behaviour that creates conflict between and among us only reduces our solidarity, with the potential to weaken the union.

AMAPCEO's labour relations approach recognizes that it is often in the best interest of all parties to try to resolve complaints and conflicts, informally and with diplomacy, as this approach usually takes less time and is less stressful than formal approaches.

## C. **Definitions**

*By-law 9:* AMAPCEO's Activist Code of Conduct By-law. This policy outlines the expected behaviours of activists, and delineates how various complaints and contraventions are handled.

*By-law 10:* AMAPCEO Trial and Discipline By-law. This policy establishes a trial and discipline process for members alleged to have engaged in conduct that is considered by the Board of Directors to be "contrary to the stated purposes of AMAPCEO and/or detrimental to the interests of AMAPCEO or its membership."

*Mandatory Mediation:* A process during which a facilitator or mediator assists two (2) or more parties to resolve their conflict.

*Ombudsperson:* A senior staff member of AMAPCEO who has been assigned to act as an impartial intermediary to assist members in conflict to resolve their differences without the need to proceed to the formal complaint process under this policy. See Board policy entitled Role of Ombudsperson for more information.

*Section 10 of the Constitution:* The section of the AMAPCEO Constitution that deals with member conduct considered by the Board of Directors to be contrary to the purposes of AMAPCEO, and detrimental to the interests of members.

## D. **Scope**

### 1. Complaints that are "In Scope"

The nature of the complaints within the scope of this by-law include:

- (i) Complaints between two (2) or more AMAPCEO members or activists concerning statements made or actions taken, inside or outside one's normal workplace, in their capacity as AMAPCEO

members or activists (i.e., conflict related to one's membership, participation, or activism in AMAPCEO).

- (ii) Complaints arising from the AMAPCEO nomination and election processes.
- (iii) Complaints between two (2) or more members that allege a breach of By-law 9: Activist Code of Conduct.

## 2. “Out of Scope” Complaints

The nature of complaint falling outside the scope of this by-law include:

- (i) Allegation of member conduct that could form the basis for potential action under Section 10.1 of the Constitution.
- (ii) Complaints about member conduct in a workplace that should properly be dealt with by the Employer, or through the complaint resolution process contained in that member's Collective Agreement. For example, an allegation of harassment in the workplace between two (2) or more AMAPCEO-represented employees.

## E. **Informal Complaint Resolution Process**

In keeping with AMAPCEO's labour relations approach, where possible, members will attempt to resolve their conflicts or differences through informal, collaborative, cooperative means before resorting to the approach of filing a complaint under this by-law.

Members having difficulty resolving their differences or conflicts themselves are strongly encouraged to consult the Ombudsperson for advice and assistance.

## F. **Filing a Formal Complaint**

Members who wish to file a formal complaint under this by-law must do so by writing to the Ombudsperson (COO), President/CEO, or Secretary no more than three (3) months after the alleged incident that led to the conflict or complaint.

The following details should be included when filing a formal complaint:

- (i) The name(s) of the member(s) involved and witnesses (if applicable).
- (ii) A description of the incident(s), event(s), or situation(s) giving rise to the complaint, including relevant date(s) and time.
- (iii) The remedy sought.

Within 30 working days of the complaint being filed, the Ombudsperson will proceed through the following steps:

### Step 1:

Determine if the complaint falls within the scope of this by-law. This may include requesting further information from the members involved in the complaint.

Should it be determined that the complaint alleges serious misconduct, the Ombudsperson will immediately refer the matter to the Executive Committee. The Executive Committee will review the details of the complaint allegations and determine if the matter should be referred to the Board under section 10.1 of the Constitution, and a possible application of By-law 10: Trial and Discipline process.

If a review of the complaint confirms that it is a matter that can be dealt with under By-law 4, the following steps as described below will apply.

Step 2:

All complainants and respondents shall be required to meet with the Ombudsperson to attempt to resolve the matter informally.

Should the informal resolution step prove successful, the Ombudsperson shall update the Executive Committee and the matter shall be closed.

Step 3:

Should the informal resolution step be conducted without success, the Ombudsperson shall recommend to the Executive Committee one of the following actions:

- (a) Referral of the complaint to mandatory mediation (see below for more details); or
- (b) Dismissal of the complaint as frivolous or without merit to continue.

**G. Mandatory Mediation**

Should the Executive Committee determine that the complaint warrants mandatory mediation, they will discuss the matter with the Ombudsperson to best identify the most appropriate means of mediation.

Options could include parties meeting with the Ombudsperson and/or President/CEO, the Executive Committee, or an accredited alternative dispute or conflict resolution practitioner.

The Mediation Process:

The Ombudsperson or their designee shall coordinate mediation efforts as soon as possible, preferably within 30 working days of the Executive Committee's decision.

Should one or more members refuse to attend or continue mediation, the Executive Committee will determine how to proceed. Options could range from deeming the matter closed after best efforts to mediate, to suspension from the privilege of serving as an appointed activist for one or more members involved in the complaint pursuant to By-law 9: Activist Code of Conduct.

During mediation, each member participant will exchange written statements about the complaint, and shall be given sufficient time to respond to any information or alleged evidence contained in such statements.

Should the matter be resolved through mediation, it shall be considered closed.

Should the matter not be resolved, the Executive Committee shall receive a report from whomever led the mediation, noting the reasons why the process did not result in a resolution. The Executive Committee will review the report and determine if the complaint shall be deemed closed after best efforts to mediate, or whether to suspend the privilege of serving as an appointed activist for one or more members pursuant to By-law 9: Activist Code of Conduct.

The Executive Committee shall also have the authority to refer the outstanding complaint to the Board of Directors for its consideration of By-law 10 and its processes.

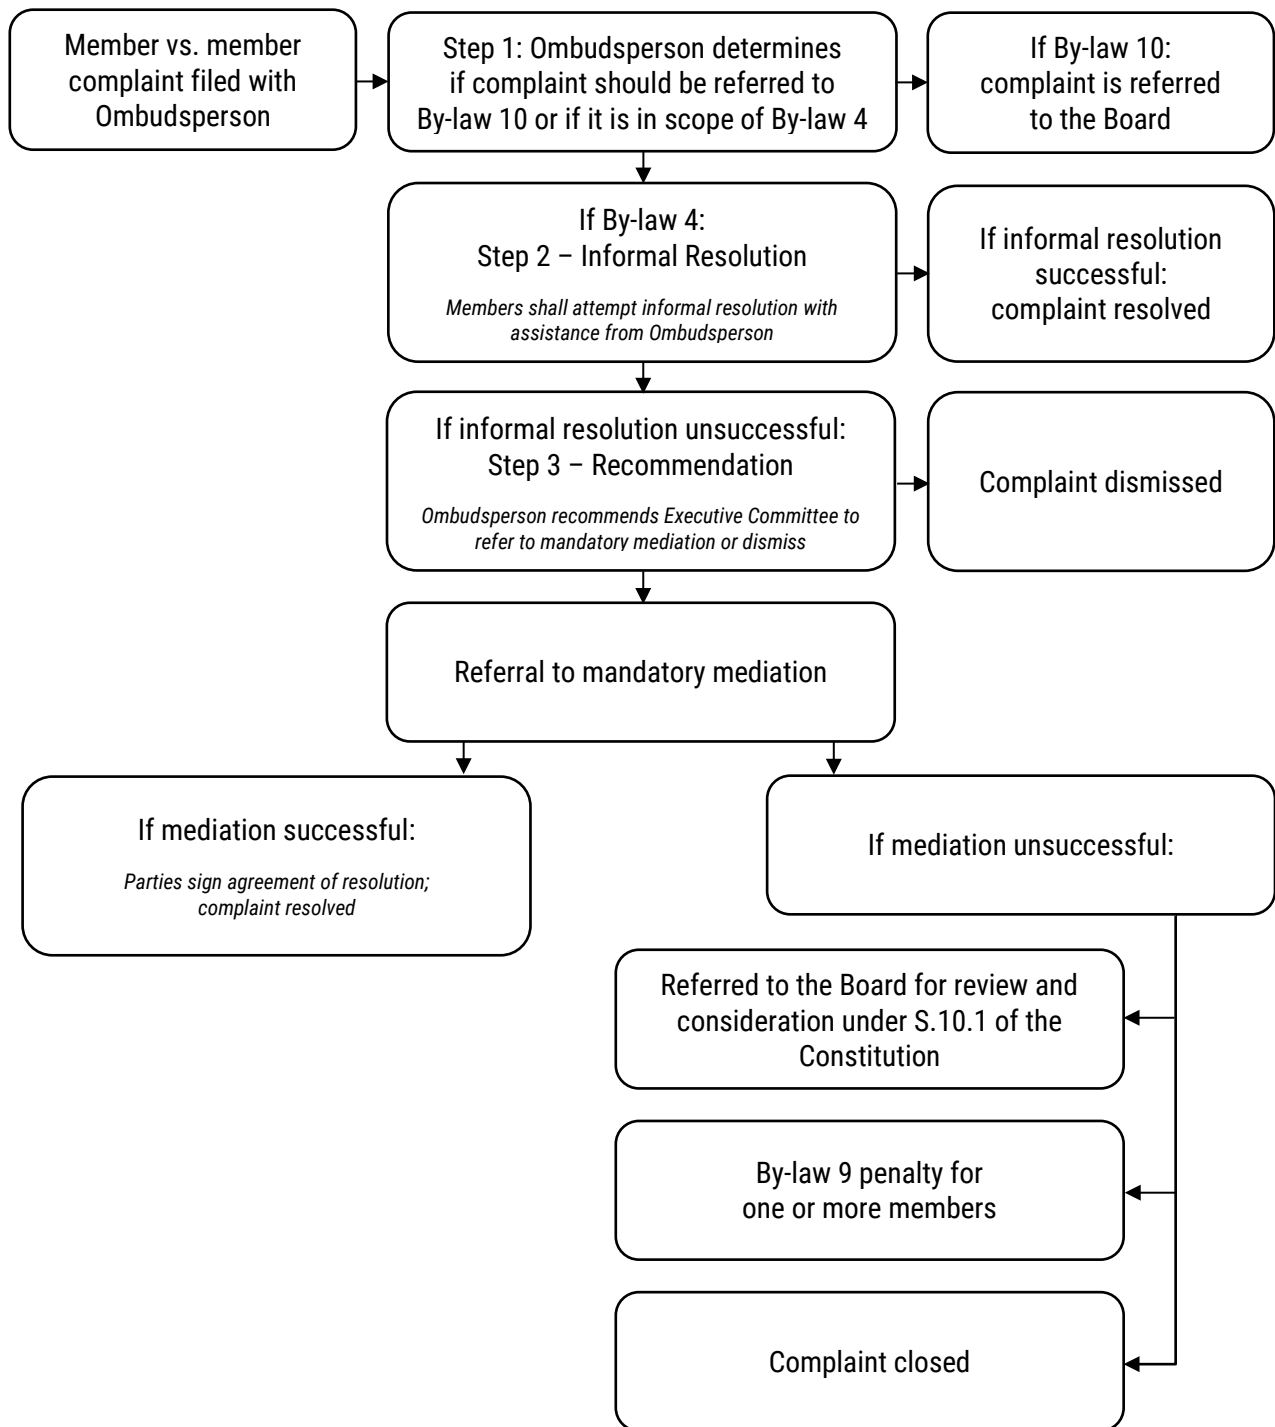

#### **K. Bad Faith Complaint**

Complaints filed in bad faith are those motivated by ill will, hostility, malice, or personal animosity, or when the Complainant knows the allegations are not true. Should the Ombudsperson, Mediator, or Executive Committee believe a complaint to be vexatious, the Executive Committee may invoke a penalty consistent with By-law 9: Activist Code of Conduct or ask the Board to consider the use of By-law 10: Trial and Discipline.

**L. Annual Reporting**

A report that summarizes all formal complaints filed and concluded during the calendar year shall be provided by the Executive Committee to the Board of Directors and the Annual Delegates' Conference. The Report to the Delegates shall consist of a summary of the complaints and outcomes without revealing the names of members involved.

*Last revised December 9, 2022.*

---

### A. **Purpose**

1. The purpose of this by-law is to establish the category of “Associate Membership” in AMAPCEO.
2. This by-law is enacted under the authority of Section 9.2 of the Constitution, which specifies that “The Board of Directors may, by by-law, establish a special class of membership for [employees who hold an acting assignment or acting appointment in a bargaining unit represented by AMAPCEO, but whose home position is outside a bargaining unit] to specify the extent to which they may participate within AMAPCEO in a non-elective and non-voting capacity”.

### B. **Associate Membership**

3. Employees represented by AMAPCEO who are seconded into or who hold an acting assignment or acting appointment in a bargaining unit, but whose permanent or home position is outside a bargaining unit, are eligible to become Associate Members.
4. Section 10.1 of the Constitution shall apply to Associate Members.
5. Upon admission to associate membership, an Associate Member will be registered by the Secretary in a District according to the process specified in the Constitution.

6. Associate Members will be entitled to be notified of all District meetings, and shall be entitled to receive AMAPCEO communications that are routinely sent or available to members in good standing.
7. As specified in Section 9.2 of the Constitution, Associate Members shall be entitled to attend and speak at District meetings, but are not entitled to: (a) be counted for quorum at any meeting, (b) move or second motions, (c) vote on any matter at any meeting, or (d) stand for or serve in any elective office within AMAPCEO.

## AMAPCEO BY-LAW 7: LEAVES AFFECTING AMAPCEO OFFICIALS

*Last revised December 3, 2021.*

---

### A. **Purpose**

1. Notwithstanding the rights of members in good standing as specified in Section 8 of the Constitution, the purpose of this by-law is to establish a policy to address the potential for conflicts of interest and/or conflicts in time commitment that might arise on the part of elected AMAPCEO officials who are on a secondment, acting assignment or leave of absence outside their AMAPCEO bargaining unit or outside their District, or who are facing criminal charges during their term of office.

### B. **Policy on AMAPCEO Officials Acting Outside Their Bargaining Unit or Their Workplace**

1. Delegates, Alternate Delegates, Delegates-at-Large, Members of ADC Committees, Members of the Board of Directors, and Members of District Executive Committees shall not carry out the duties and responsibilities of their AMAPCEO positions while on a secondment, leave or acting assignment outside an AMAPCEO bargaining unit if the secondment, leave or acting assignment is longer than thirty-one (31) days in duration. The maximum period that an elected official will be permitted to hold office while not carrying out their duties and responsibilities under this section shall not exceed six months, after which time a vacancy in the position shall be declared if the incumbent has not yet returned from their secondment, leave or acting assignment.

## 1.1 Executive Officers

Should the President take a temporary secondment, leave or acting assignment of greater than thirty-one (31) days, pursuant to the Constitution, the Vice-President shall temporarily assume the role of President.

Should the Vice-President take a temporary secondment, leave or acting assignment of greater than thirty-one (31) days, the Board of Directors shall temporarily replace the Vice-President with someone from its composition.

Should the temporary backfill of the President or Vice-President displace a Director from their District position, the District shall be permitted to substitute their Vice-Chair for the Director as contemplated in article 1.2 below.

Should an Executive Officer (other than the President or Vice-President) take a temporary secondment, leave or acting assignment of greater than three months, the Board of Directors shall temporarily replace the Executive Officer on leave with someone from its composition. Should such a temporary backfill displace a Director from their District position, the District shall be permitted to substitute their Vice-Chair for the Director as contemplated in article 1.2 below.

Should any Executive Officer opt not to return after their six months' leave, then the position shall be declared vacant, thereby implementing the provisions of Article 52 of the Constitution.

Anyone acting in an Executive Officer position shall be afforded the compensation, honoraria, expenses, leaves, and equipment accustomed to the role they are backfilling.

## 1.2 District Directors

Should a Director take a temporary secondment, leave or acting assignment of greater than three months, the District shall be entitled to immediately backfill the temporarily vacated Director position with their duly elected Vice-Chair. The President and Secretary must be provided leave documentation by the outgoing Director and confirmation from the District Executive that the Vice-Chair was duly elected.

The Vice-Chair will thereafter be known as the Acting District Director, and the District Executive may elect a temporary replacement for the Vice-Chair. The Acting Director shall receive Board orientation, and be afforded all the expenses, leaves, and equipment afforded the Director role.

Should the Director on leave choose not to return and their term has greater than six months remaining, the position shall be declared vacant, thereby implementing the provisions of Article 52 of the Constitution, and the Acting Director shall be permitted to continue their role until the Director position has a newly elected incumbent.

Should the Director on leave choose not to return and their term has less than six months remaining, the Acting Director shall become the Director for the remainder of the term, as specified in Article 52 of the Constitution.

2. Any AMAPCEO-elected official who receives an employer's approval of a secondment, leave, or acting assignment outside an AMAPCEO bargaining unit of thirty-one (31) days or longer has an obligation to immediately notify either the President or the Secretary of the relevant change in workplace status. Elected officials taking leaves of greater than three months must inform the President and Secretary of their intent to return, or not, no less than two (2) weeks prior to expiration of the leave.
3. For clarity, a secondment, leave, or acting assignment outside a bargaining unit does not include, and this policy does not apply to, AMAPCEO funded leave granted to an elected official under a Collective Agreement for the purpose of conducting AMAPCEO business.
4. Members of the Board of Directors and Delegates (including Alternate Delegates) and Members of District Executive Committees who have chosen to permanently exit the workplace, but who may still be on salary continuance, shall resign their AMAPCEO elective positions as early as possible following the end of the day of their last day at work; but, in any event, the position shall be deemed to be vacant not later than sixty (60) days from that date.

C. **District Directors Acting Outside Their Districts**

5. The above-noted provisions [in Paragraphs 1 and 2 of Part B] will also apply to District Directors who accept a secondment, leave, or acting assignment of longer than thirty-one (31) days elsewhere in an AMAPCEO bargaining unit, but outside the District Director's home District. The maximum length of such a temporary leave shall not exceed six months, after which time a vacancy in the position shall be declared if the incumbent has not yet returned from their secondment, leave, or acting assignment.

- 5.1 Article 1.2 and 2, above, shall also apply to District Directors acting outside their Districts.

D. **AMAPCEO Officials Facing Criminal Charges**

6.1 Members of the Board of Directors, Delegates, and members of District Executive Committees who have been charged with an offence under the Criminal Code of Canada have a duty to make full and timely disclosure of this fact to the Secretary.

6.2 Delegate or Member of District Executive Committee

Whether or not such disclosure has been made, if the Secretary is advised, and can subsequently confirm, that a criminal charge has been laid against a Delegate or a member of a District Executive Committee, the Secretary shall add to the agenda of the next meeting of the Board of Directors a notice of motion to grant a temporary leave to the affected member, during which the member would cease performing the duties and responsibilities of their AMAPCEO position(s). A copy of the notice of motion will be provided to the affected member with a reasonable deadline (no less than five days), stipulated for response before the Board meeting.

6.2.1 Unless the affected member files a written objection to consideration of the motion within five days of receiving the notice, the motion must be placed before the Board for a vote if, in the opinion of the Board, the criminal charge has the potential to interfere with the capacity of the affected member to provide effective representation of members or otherwise carry out their responsibilities to members; or where the Board believes that the affected member's efforts to continue carrying out their responsibilities while facing the charge may be detrimental to the interests of AMAPCEO and its members. If approved by a majority of members voting, the temporary leave takes effect immediately and remains in effect for either six months or until the legal proceedings related to the criminal charges are concluded,

whichever occurs first (unless, in the meantime, the term of office expires, a resignation is submitted, or the member is otherwise removed from office.) The maximum length of such a temporary leave shall not exceed six months, after which time a vacancy in the position shall be declared if the incumbent has not yet returned.

- 6.2.2 If the affected member files (within the specified time frame) a written objection to consideration of the motion to grant the leave, the Board may then consider what other steps to take as permitted by the Constitution and by-laws.

### 6.3 Member of the Board of Directors

Whether or not such disclosure has been made, if the Secretary is advised, and can subsequently confirm, that a criminal charge has been laid against a member of the Board of Directors, the Secretary shall add to the agenda of the next meeting of the Board of Directors a notice of motion to grant a temporary leave to the affected member, during which the member would cease performing the duties and responsibilities of their AMAPCEO position(s). A copy of the notice of motion will be provided to the affected Board member with a reasonable deadline (no less than five days), stipulated for response before the Board meeting. The affected Board member shall not attend or otherwise participate in the Board meeting at which the affected member's case is under discussion.

- 6.3.1 Unless the affected member files a written objection to consideration of the motion within five days of receiving the notice, the motion must be placed before the Board for a vote, if, in the opinion of the Board, the criminal charge has the potential to interfere with the capacity of the affected member to provide effective representation of members or otherwise carry out their

fiduciary responsibilities to members, or where the Board believes that the affected member's efforts to continue carrying out their responsibilities while facing the charge may be detrimental to the interests of AMAPCEO and its members. If approved by a majority of members voting, the temporary leave takes effect immediately and remains in effect for either six months or until the legal proceedings related to the criminal charges are concluded, whichever occurs first (unless, in the meantime, the term of office expires, a resignation is submitted, or the member is otherwise removed from office.) The maximum length of such a temporary leave shall not exceed six months, after which time a vacancy in the position shall be declared if the incumbent has not yet returned.

- 6.3.2 If the affected Board member files (within the specified time frame) a written objection to consideration of the motion to grant the leave, the Board may then consider what other steps to take as permitted by the Constitution and by-laws.

and reasonably incurred by them in connection with such activity, suit or proceeding if they acted honestly and in good faith with a view to the best interests of AMAPCEO and, with respect to any is enforced by a monetary penalty, had reasonable grounds for believing that their conduct was lawful. The termination of any activity, suit or proceeding by judgment, order, settlement or conviction shall not, of itself, create a presumption that the person did not act honestly and in good faith with a view to the best interests of AMAPCEO and, with respect to any criminal or administrative activity or proceeding that is enforced by a monetary penalty, had no reasonable grounds for believing that their conduct was lawful.

**D Right of Indemnity Not Exclusive**

The provisions for indemnification contained in the by-laws of AMAPCEO shall not be deemed exclusive of, and shall be in addition to, any other rights to which any person seeking indemnification may be entitled under any policy of insurance, agreement, vote of members or directors or otherwise, both as to activity in their official capacity and as to activity in another capacity, and shall continue as to a person who has ceased to be a director, officer, employee, agent or representative and shall inure to the benefit of the heirs, administrators, estates and legal representatives of such a person.

honestly and in good faith with a view to the best interests of AMAPCEO and in connection therewith to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

## **AMAPCEO BY-LAW 9: CODE OF CONDUCT - AMAPCEO OFFICIALS(ACTIVISTS)**

*Last revised December 3, 2021.*

---

### **A. Activist Code of Conduct**

All elected and appointed representatives and officials<sup>1</sup> of AMAPCEO (referred to hereafter as “activists”) have:

1. A responsibility to AMAPCEO and, as such, are expected to act honestly, in good faith, with due care and diligence, and in the best interests of the organization as a whole;
2. A duty to make full and timely disclosure of any real or potential conflicts of interest that might arise between their responsibilities as an AMAPCEO activist and their personal or private interests, including personal disputes filed under a collective agreement;
3. A duty to avoid using their positions as AMAPCEO activists or using confidential information obtained in those roles to advance or benefit their personal or private interests;
4. A duty to make full and timely disclosure of any developments (including those that occur outside the workplace) that might compromise the activist’s ability to carry out their roles and responsibilities;

---

<sup>1</sup> “Representatives and officials” include any member of AMAPCEO holding elective office, at any level, as well as any member appointed to an office or committee.

5. A duty to avoid encouraging the offer of, and to refuse, gifts, hospitality or other benefits, the acceptance of which could influence their judgement or the performance of their duties;
6. A duty to respect confidential information that is disclosed to them in their capacity as AMAPCEO activists;
7. A duty to attend required meetings of bodies to which they are elected or appointed; to prepare adequately for those meetings by reading agenda and other material; and to give advance notice and explanation in cases where they are unable to attend;
8. A duty to treat other AMAPCEO members and staff with respect, when acting in their roles as AMAPCEO activists, both in and outside of meetings.

For example, without limiting the generality of the foregoing, activists have a duty to avoid:

- Disrupting meetings by making continual interruptions or whispered asides;
- Making offensive or abusive remarks directed at other members or staff;
- Using unparliamentary language, inflammatory words, or a harsh tone;
- Impugning the motives of other members or staff;
- Ignoring the legitimate direction of the presiding officer at AMAPCEO meetings.

The provisions of this Code apply to the conduct of activists at all times during their term of office (although any confidentiality restrictions continue to apply even after the conclusion of one's term of office, unless a particular item has become public or if members have otherwise been released from compliance with confidentiality on a particular matter). The Code applies, in other words, to an activist's conduct outside AMAPCEO's governance and

membership meetings, and outside the AMAPCEO offices, and includes the member's workplace, off-site social interactions, public meetings or events, private meetings or events, teleconferences, written or verbal communications, and social media (including, without limiting the generality of the foregoing, Facebook, Twitter, blogs, websites, email, instant messaging, or texting).

**A. By-law Administration**

On behalf of the Board of Directors, the Executive Committee shall maintain responsibility for the administration of this by-law.

Alleged infractions may be forwarded by members or bodies within AMAPCEO either directly to the Executive Committee via the Secretary or President, or by way of the Ombudsperson (COO). The Ombudsperson or their designee shall conduct any investigation deemed necessary by the Executive Committee.

In those instances where an appointed activist is found to have contravened the Code of Conduct, they may be suspended from the privilege of serving as an appointed activist as deemed appropriate by the Executive Committee. There shall be no recourse to appeal revocation of an appointed activist's role.<sup>2</sup>

In those instances where one or more members or activists file formal complaints against one another, the Ombudsperson shall recommend that the Executive Committee support use of By-law 4 (and 10, if necessary) to remedy the situation.

---

<sup>2</sup> An **appointed** activist serves at the pleasure of the Union – it is a privilege, not a right, to do so and as such there is no appeal process. **Elected** positions are associated with democratic rights. Democratic rights to an elected position (Delegate, Director, or Executive) are governed by By-law 10.

Of note, Board Directors *additionally* must abide by the Board Directors Code of Conduct outlined within the Board Policy Manual and administered by the greater Board of Directors itself.

In those instances where the contravention is severe (as detailed in By-law 10, Part D), the Ombudsperson shall recommend that the Executive Committee seek the support of the Board of Directors in the use of By-law 10. Matters handled under the parameters of By-law 10 are subject to the trial and discipline mechanisms and processes detailed within the by-law itself.

Activists, staff, or bodies who are uncertain about the application of any element of this Code of Conduct to their own circumstances, or who wish to make a required disclosure, should contact AMAPCEO's Ombudsperson (Chief Operating Officer or their designee).

**C. Attendance at Meetings**

1. Members of the Board of Directors (or of committees of the Board or the Annual Delegates' Conference) who (a) have been absent from two (2) or more meetings of the body on which they sit and (b) have not explained their absence, either before or after the meeting, to the satisfaction of the body on which they sit, shall temporarily cease performing their duties (including attending further meetings) until they provide an explanation for their absence to the affected body. The affected member shall be given a reasonable opportunity to explain their absence. If a satisfactory explanation is not provided by the affected member within a reasonable time frame, the Secretary shall formally advise the Board in order to give the Board an opportunity to consider what further steps should be taken.
2. The number of meetings attended by each member of the Board of Directors, and any cases where a member has temporarily ceased performing their duties as outlined in Paragraph 1, above, shall be noted in an appendix to the Board's annual report tabled with the ADC.

“10.1 A member whose conduct is considered by the Board of Directors to be contrary to the stated purposes of AMAPCEO and/or detrimental to the interests of AMAPCEO or its membership, shall be asked by the Board to explain or justify such conduct. If the member is unwilling to do so or if the explanation is deemed inadequate, the Board may impose disciplinary measures against the member. The disciplinary measures shall be in accordance with any by-law that the Board may enact. The member concerned shall have the opportunity to address the Board before the Board considers the question. Approval of such a motion shall require at least a two-thirds vote.”

It refers only to matters conducted under this section and does not apply to any other proceedings that may exist elsewhere in the Constitution.

2. This by-law has been enacted to provide a member accused of misconduct, as defined in Section 10.1 of the Constitution and further defined in this by-law, a fair and transparent process to dispute the allegation or defend their conduct, before the Board of Directors imposes any disciplinary measures.

- Shall not act in a manner that is contrary to the stated purposes of AMAPCEO, or in a manner that is detrimental to the interests of AMAPCEO or its membership.

The AMAPCEO Board of Directors will not impose discipline against a member alleged to have engaged in misconduct until that member has been provided the opportunity to answer those allegations through a fair and transparent trial process.

The Board of Directors and the Executive Committee shall not make decisions under this by-law that are arbitrary, discriminatory, or in bad faith.

The following details should be included when filing a complaint of misconduct:

- (a) The name of the member(s) and witness(es) (if applicable);
- (b) A description of the alleged misconduct, or incident (s), including relevant date(s) and time(s); and
- (c) Any evidence supporting the allegation.

Upon receipt of a formal misconduct complaint, the Executive Committee will initially review the complaint, along with the documentation and evidence, and shall determine:

- (a) That due to the seriousness of the alleged misconduct the matter should be referred to the Board under Section 10 of the Constitution for a determination of the next steps;
- (b) That the misconduct allegations are best dealt with through the application of either By-law 4: Member Complaint Resolution, or By-law 9: Activist Code of Conduct; and, as such, the Executive Committee shall refer the matter to the Ombudsperson for disposition;

or

- (c) That the allegations are frivolous, or without merit, and must be dismissed without any referral.

The Executive Committee may contact the member who filed the complaint to request additional information before making a decision.

The Executive Committee may also refer a member complaint that has been filed under By-law 4: Member Complaint Resolution, or an alleged violation of By-Law 9: Activist

Code of Conduct, to the Board via section 10.1 of the Constitution due to the seriousness of the alleged misconduct.

**D. Board of Directors Review of the Misconduct Complaint**

Once a misconduct complaint has been referred to the Board of Directors from the Executive Committee, the Board of Directors shall have up to one year to review the complaint and determine if the misconduct trial processes as outlined in this by-law shall be used to investigate and decide on the allegation. Should the Board of Directors not take any action on the complaint within this period, the complaint shall be deemed withdrawn and closed.

A decision to proceed to a misconduct trial requires the support of at least two-thirds (2/3) of the Board of Directors, otherwise, the misconduct complaint shall be dismissed.

**E. Misconduct Trial Process**

Within 15 working days of the Board of Directors deciding that a misconduct complaint should proceed to trial, the Board of Directors shall designate the Executive Committee to serve as a Trial Committee.

Should the Executive Committee believe that, due to the nature of the alleged misconduct, the trial should be conducted by an independent third party, they shall have the authority to make such a referral. The third party shall follow the trial process as outline in Part F of this policy, and submit a report of their findings to the Executive Committee at the trial's conclusion.

Any Executive Committee member directly involved in the alleged misconduct as the Complainant or witness shall not serve on the Trial Committee. In such situations, the Board of Directors may choose to appoint a member of the Board of Directors to the Trial Committee. Should three (3) or more members of the Executive Committee be directly involved in the alleged misconduct, the trial shall be conducted by an independent third

party. The third party will conduct the trial as outlined in Part F of this policy, and render a decision as outlined in Part G of this policy.

The Trial Committee shall choose from among them a Chair. The AMAPCEO Board Secretary shall serve as the Secretary for the Trial Committee. If the Secretary is unable to serve on the Trial Committee, another member of the Trial Committee shall be selected to serve as the Committee's secretary.

Once the Trial Committee is in place, both the member alleging the misconduct (the Complainant) and the member alleged to have perpetrated the misconduct (the Respondent) shall be provided with 20 working days' written notice of the commencement of the trial. This written notice will also provide information on how the trial will be conducted.

In conducting the trial, the Trial Committee:

- (a) shall decide its procedures and processes to ensure the hearings are conducted efficiently and effectively, including but not limited to determining the length of each hearing day, and the total length of the hearing process;

The Complainant and Respondent shall have the right to be present at the trial, to call witnesses, and to cross-examine witnesses called by the other side.

The Complainant, the Respondent, and all witnesses will be asked to agree to protect the privacy and confidentiality of the trial process, and to not divulge any information or evidence brought forward and discussed during the trial hearings.

All members involved in the trial shall be entitled to AMAPCEO funded leave under the appropriate clause in their Collective Agreement for the time required to participate in the trial hearings.

Both written and oral evidence shall be accepted during the trial hearings.

The Complainant and Respondent shall be permitted to be represented by another AMAPCEO member "in good standing" at the trial, should they choose to do so.

The Complainant and Respondent shall be permitted to obtain outside legal counsel at their own expense.

Once all the testimony and evidence has been heard and reviewed, the Trial Committee shall render a decision on the alleged misconduct complaint; and, if necessary, will also

<sup>1</sup> These principles stipulate that whenever a person's "rights, privileges or interests" are at stake, there is a duty to act in a procedurally fair manner, and are based on the theory that the substance of a decision is more likely to be fair if the procedure through which that decision was made has been just.

recommend to the Board of Directors what type of disciplinary measures should be imposed on the Respondent.

**G. Rendering a Decision after Trial**

Within 30 working days from the final date of trial hearings, the Trial Committee will prepare a written report with their findings and their decision, and send it to the Respondent and the Complainant.

The report shall outline:

- (a) the allegations in the misconduct complaint;
- (b) a summary of the information and evidence presented during the trial hearings;
- (c) the Trial Committee's findings on whether the misconduct complaint is substantiated or unsubstantiated; and
- (d) a summary of the reasons for their decision.

In rendering a decision on a misconduct complaint, the Trial Committee shall be empowered to interpret the Constitution and By-laws as necessary to come to a decision.

The Trial Committee may either find that the misconduct complaint has been substantiated or not substantiated. To find that a misconduct complaint has been substantiated shall require majority support of the members of the Trial Committee, otherwise, the complaint shall be dismissed.

Should the Trial Committee find that the complaint is unsubstantiated, the complaint will be dismissed.

Should the Trial Committee find the complaint substantiated, the Trial Committee shall inform the Board of Directors of their decision and make a recommendation on the appropriate disciplinary measures to be imposed on the Respondent. The disciplinary measures available to the Trial Committee are:

- (a) Censure;
- (b) Suspension of membership for a period that is no less than two (2) years; or
- (c) Permanent membership expulsion from AMAPCEO.

When recommending disciplinary measures to the Board of Directors, the Trial Committee must consider the nature of the misconduct, the seriousness of the matter, the impact on the Complainant, or other members, any prior record of misconduct by the Respondent, and any other relevant matters.

#### **H. Board Decision on Disciplinary Measures**

After receiving the Trial Committee's recommendation, the Board of Directors shall deliberate and decide to either accept the Trial Committee's recommendation or to substitute lesser discipline. The decision on the appropriate discipline to impose shall be made based on a majority vote of the Board of Directors. For clarity, the Executive Committee members who participated on the Trial Committee will not be eligible to vote.

Within five (5) working days of rendering their decision, the Board Secretary will contact the Respondent who has been found guilty of the misconduct and communicate the Board's discipline decision and the reasons for this decision. The Secretary will also communicate that the Respondent will have the opportunity to address the Board in writing within 20 working days to explain or justify their conduct. Such written submissions shall be limited to no more than five (5) pages double-spaced.

Should the Respondent choose not to address the Board of Directors, the disciplinary measures decision will be imposed.

Should the Respondent decide to address the Board of Directors, the Board shall review the Respondent's comments and make a final decision within 10 working days. A decision to overturn the Board's own earlier decision on discipline, and substitute lesser discipline, shall require a two-thirds (2/3) vote of the Board of Directors. To clarify, the Executive Committee members who participated on the Trial Committee will not be eligible to vote.

**I. Review of Member Expulsion Decisions**

Once every two (2) years, an expelled member may seek a review of their expulsion by the Board of Directors. The Board shall have the ability to uphold, commute, or set aside the initial discipline.

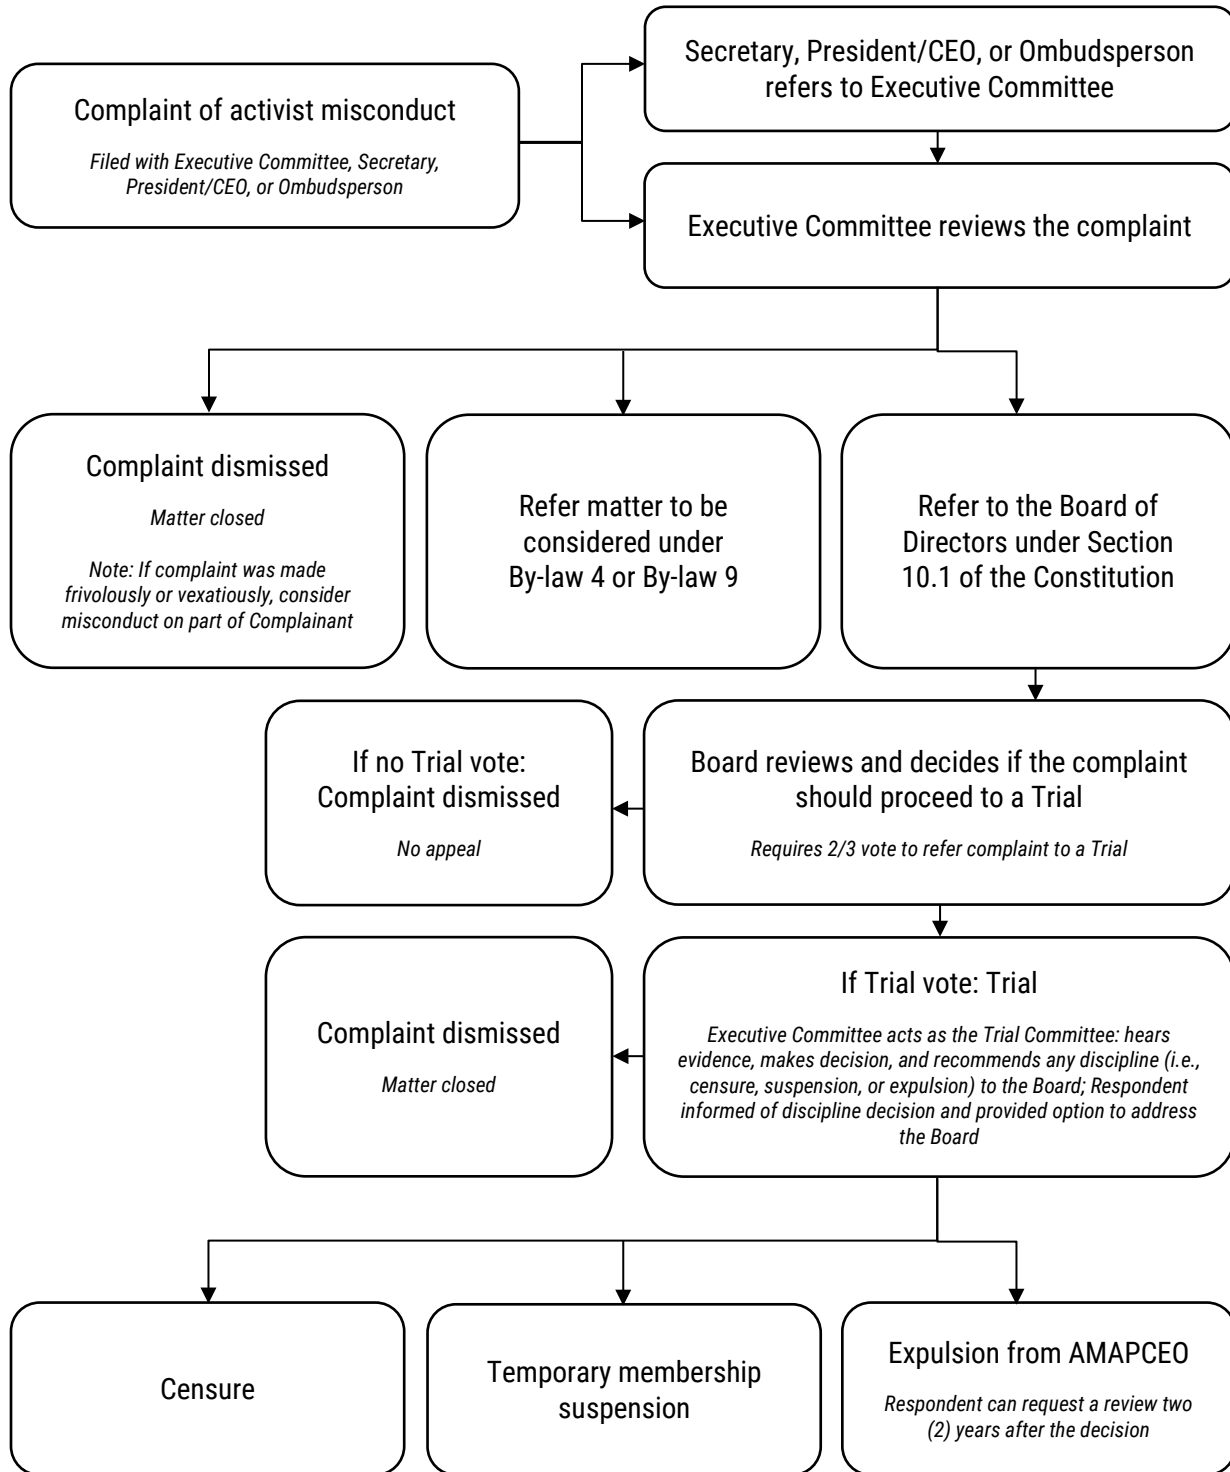

**J. Bad Faith Complaints or Allegations**

Complaints filed in bad faith are those motivated by ill will, hostility, malice, or personal animosity, or when the Complainant knows the allegations are not true. Bad faith complaints or allegations are considered serious, and may be dealt with under By-law 9: Activist Code of Conduct or By-law 10: Trial and Discipline.

**K. Annual Reporting**

The Board shall report the results of all trial outcomes and disciplinary decisions to the next Annual Delegates' Conference. The Report to the Delegates shall consist of a summary of the misconduct, the trial outcome, the disciplinary decision, and if the decision was appealed.

## Appendix A: By-law 10 Process Map

# AMAPCEO BY-LAW 11: BOARD COMPENSATION PROCESS

*Adopted by the Delegates on November 25, 2020.*

---

## A. **Purpose**

1. The purpose of this by-law is to identify an independent process to address an ongoing business need: the compensation of the organization's senior leadership.

This by-law will identify and detail the components of the overall compensation process. It will do so by clearly stipulating who, what, when, where, why, and how matters will be handled. And, in doing so, the integrity of the process will be solidified in its independence and prescribed methodology.

## B. **Scope**

2. This by-law shall encompass compensation adjustments for only those Board Directors receiving salary or honoraria remuneration.

## C. **Evaluation and Review Cycle**

3. The position of President/Chief Executive Officer shall be the position of sole evaluation, with its analytical outcomes then applied to other positions as outlined further within this policy.

4. Review shall occur on a triennial (3-year) cycle.<sup>1</sup>

**D. Independent Market Analysis**

5. AMAPCEO shall engage the services of an independent market analyst specializing in executive compensation within the greater labour relations sector.

**E. Analytical and Evaluative Parameters**

6. The independent market analyst shall consider the following items in their evaluation of the compensation level of the President/Chief Executive Officer:<sup>2</sup>

(a) Compensation details for comparable union President/CEO positions<sup>3</sup> inclusive of:

- Salary ranges (minimum and maximums) or base salary, if used;
- Benefits (performance incentives, RRSP contributions, cellphone/car/clothing allowance, fitness membership, educational assistance, business travel, etc.).

(b) Compensation details for AMAPCEO senior management (COO and Unit Directors):

---

<sup>1</sup> The review shall occur in the third year of the cycle, with the first such review occurring under this by-law being in 2022.

<sup>2</sup> Items 6 (a), (b), (c), and (d) were approved by the 2019 ADC.

<sup>3</sup> See Appendix A as was approved by the 2019 ADC.

- (c) Compensation details for Employer counterparts (Deputy Ministers, Assistant Deputy Ministers, HARLO Unit CEOs, etc.);
- (d) In addition, the analyst will conduct an interview with the President/CEO incumbent to obtain the following information, which will then be validated by the Chief Operating Officer:
  - Responsibility
  - Expertise required
  - Average workloads
  - Amount of unpaid overtime worked
  - Amount of union business travel
  - Issues with work-life balance

F. **Award**

- 7. Subject to market analysis completion, the President/CEO role shall be awarded a salary equivalent to the mid-point average salary of the comparable union positions considered. This approach would see the salary of the President/CEO set and maintained at the exact middle of all comparators.<sup>4</sup>

In the same way members-at-large have their salaries protected by red-circling, the President/CEO position and all positions subsequently tethered to it shall not be negatively impacted. Should market analysis indicate a pause in advancement, incumbents will be red-circled until the next cyclical review.

---

<sup>4</sup> The salary award shall occur on January 1, immediately following the review (i.e., the start of year 1 of the next 3-year cycle).

**G. Total Compensation and Geographic Equity Policy**

8. In addition to the salary afforded each, the President/CEO and Vice-President shall receive:

- Leave credits in accordance with their respective bargaining unit's collective agreement;
- Annual across-the-board salary increases in accordance with their bargaining unit's collective agreement;
- All provisions of their bargaining unit's CA not addressed herein;
- Pension accumulation in accordance with their respective bargaining unit.

The President/CEO and Vice-President shall not receive compensation for:

- Annual merit
- Overtime

9. The Geographic Equity Policy states that, regardless of where in the province a member lives, if elected President/CEO or Vice-President, AMAPCEO will ensure fair reimbursement of expenses for travel and accommodation, and provide support to the member in Toronto and at their home location.

- If the member works or lives in Toronto – no accommodation or travel expense will be provided beyond a TTC/Presto/(transit) pass.

- If the member works outside Toronto and lives less than 80 km from the AMAPCEO office – no accommodation expense, but travel expense will be provided.
- If the member works and lives more than 80 km from the AMAPCEO office – accommodation expense will be provided (i.e., a one-bedroom apartment, furnished) or a dollar equivalent if the individual wishes to another form of accommodation, a TTC/Presto (transit) pass, and travel expense for up to two (2) return trips home per month.
  - If a member chooses to commute daily and not seek local accommodations, reimbursement for travel will not exceed costs of accommodation and return home trips.
  - If a member chooses to commute daily and not seek local accommodations, reimbursement for travel will not exceed the costs of accommodation and return home trips.

#### H. **Expenses**

10. Any additional expenses incurred by the President and Vice-President are subject to AMAPCEO's Expense Reimbursement Policy and Procedures, as is the case for all activists.

#### I. **Market Analysis Application to Other Positions**

11. The Vice-President's position shall be compensated at 85% of that of the President/CEO's salary.
12. Any market adjustment in the President/CEO's salary shall be converted to a percentage for the purposes of subsequent application to the other positions.

13. The Secretary and Treasurer positions shall have their honoraria move in accordance with the percentage adjustment made to the President/CEO position's salary.
14. The Chair of the Board's honoraria shall be 50% of the Secretary and Treasurer's remuneration.

**J. Board Compensation Committee**

15. The committee shall be comprised of all members of the Board not deemed to be in a conflict of interest as defined in Item K below.
16. The committee shall direct the Chief Operating Officer or Director of Finance & Administration to conduct the triennial contracting of a market analyst specializing in executive compensation within the greater labour relations sector.
17. Results and recommendations stemming from the triennial market analysis shall be presented to the Board Compensation Committee in advance of the Annual Delegates' Conference, in the third and final year of the existing salary structure.
18. The Board Compensation Committee shall implement salary adjustments in accordance with this by-law, and duly report outcomes to the Annual Delegates' Conference immediately thereafter.

**K. Conflict of Interest**

19. All Board Directors receiving salary or honoraria – inclusive of the President, Vice-President, Secretary, Treasurer, and Board Chair – shall be deemed conflicted on salary or honoraria matters of their own and, as such, are precluded from participation on the Board Compensation Committee.

## **Appendix A: Approved Comparator Unions**

A list of potential unions was reviewed, with 19 identified as being like AMAPCEO. Two (2) of these unions were later excluded (SPGQ and PEA), as they employ very different compensation practices or employ a part-time President.

In all circumstances, research demonstrated that there was no correlation between size of budget, staff, members, or number of contracts serviced with compensation. As such, these parameters will not be used going forward. The detailed research can be found in the *2019 ADC Book B: Supplemental Reports, Board Compensation Review*.

## **Part B – Committee**

The Committee shall be comprised of the following members:

- One Delegate from the Regional Districts
- Three Delegates from the GTA Districts
- One Delegate from the HARLO Bargaining Units
- Secretary (ex-officio) (non-voting)
- Staff, as required (non-voting)

All members shall have the right to vote. The body shall elect a Chair from its five Delegate members to lead its meetings and be its spokesperson at the Annual Delegates' Conference (ADC). The Secretary shall share Board commentary on resolutions at the ADC.<sup>3</sup>

## **Part C – Committee Election and Appointment Process**

---

<sup>3</sup> As per Part G, para 3 below, the Secretary shall provide Board and/or operational and financial commentary as necessary.

Identification of nomination and voting processes shall be the decision of the Elections & Credentials Committee (ECC).

The election shall be conducted by the ECC during AMAPCEO's annual fall election cycle.

Only seated Delegates may run for office. Board Directors are ineligible, save for the Secretary, who shall sit as an ex-officio member of the Committee.

Members shall be elected by the Delegates (including Board Directors) to a two-year (2-year) term, in a staggered fashion with two (2) of the five (5) members elected in one year and the remaining three (3) in a subsequent year.

In the case of any vacancies, the Board of Directors shall confer with the Committee as to its membership needs. In some instances, the outcome may be to take no action (e.g., close to end of term and quorum being maintained), while in other instances a replacement process will be identified (unless the position is urgently needed to be filled on a temporary basis, a by-election will be held).

#### **Part D – Timeline and Submission Process**

The Committee shall make its initial call for resolutions anytime between the first and last working day in May, annually.

The deadline for submission of resolutions shall be the last working day of July.

The Committee shall meet with each of AMAPCEO's District Executives, virtually or in-person, and either individually or in a group(s). The Board may also ask the Committee to meet with any of its bodies (e.g., the Equity Committee).

- Resolutions may only be submitted by the following governing bodies of AMAPCEO:
  - Committees of the ADC, the Board of Directors, or District Executives.

- Individual Delegates must first present their proposed resolution to their local District Executive for consideration. The District may adopt the resolution, as its own, or failing the support of the District, the Delegate may bring forward the resolution provided the Committee can confirm a denial occurred.
- Likewise, bodies of the Board (Committees and Caucuses) must bring proposed resolutions to the Board of Directors for its consideration. The Board may accept or decline propositions. Those accepted may be acted on immediately by the Board or carried forward to the ADC for consideration.

### **Part E – Definition of a Resolution**

- Resolutions may impact AMAPCEO’s Constitution, By-laws, procedures, and practices.
- Resolutions should describe the action desired and be accompanied by a supporting rationale.
- Resolutions should be submitted in plain language through use of the prescribed format.
- Resolutions should include the date of the meeting at which the resolution was adopted or declined by the body (Board, District, or ADC Committee) submitting the resolution.
- The Resolutions Committee, having invited submissions, shall then review all submissions received by the deadline. The Committee shall exercise its authority as outlined below.

### **Part F – Committee Authority**

The Committee shall have the authority to recommend acceptance, amendment, rejection, or referral of resolutions it deems *in order to* proceed to the ADC. The

Committee shall also have the authority to prioritize the sequence of consideration of all resolutions it has deemed in order.

The Committee shall have the authority to deem resolutions *out of order* as follows:

- If they pertain to labour relations or bargaining;
- If they formulate partisan political statements or actions;
- If they are offensive to an individual or group.

Any resolution deemed out of order will automatically be forwarded by the Committee to the Board of Directors for its consideration – with the mover of the resolution notified. The Board shall have the option to take the resolution under advisement with no further action, or the Board may in rare instances, without prejudice to the Committee’s decision, adopt the resolution in the belief it has pertinence to the ADC and bring it forward for Delegate consideration.

The Committee shall have authority to merge very similar resolutions into one, as well as have the ability to ask movers to amend their resolution and/or rationale to remove any offensive language or references. Failure to respond to such requests may result in a resolution being deemed out of order or be cause for the Committee to recommend its rejection (defeat).

## **Part G – Board of Directors’ Role and Responsibility**

The Constitution permits the Board to propose resolutions to the Annual Delegates’ Conference (ADC) without prior consultation with the Resolutions Committee. In such instances, the Board shall provide the ADC with no less than two (2) weeks’ notice.

The Board of Directors shall have the autonomy to deal with any resolutions referred to it by the Committee or ADC, and with all resolutions that remain outstanding at the close of the ADC. In either instance, the Board shall report the following year's ADC, in writing, detailing how said resolutions were resolved.

Per the Constitution, the Board of Directors shall be permitted commentary on all resolutions proceeding to the ADC. Likewise, the Board will seek input from its Senior Management team on any resolution potentially impacting operations and on potential expense related to any resolution. Board opinion, operational insight, and financial costings will be shared alongside resolutions when presented to the ADC.

#### **Part H – Resolutions Outcome**

Once adopted by the ADC, resolutions become immediate directions (unless otherwise timed), and may constitute or form part or all of a policy, procedure, or practice.
